Who is that?

CRASH
THUMP!

ARE YOU AWAKE?

THEY SAY THAT CAPE TOWN IS A BIT COOLER COMPARED TO OTHER PLACES...

THIS IS STILL AFRICA
IF YOU GO OUT THERE IN THIS HEAT IN THOSE CLOTHES, YOU WILL DIE

It felt a little wrong going into a room with no owner

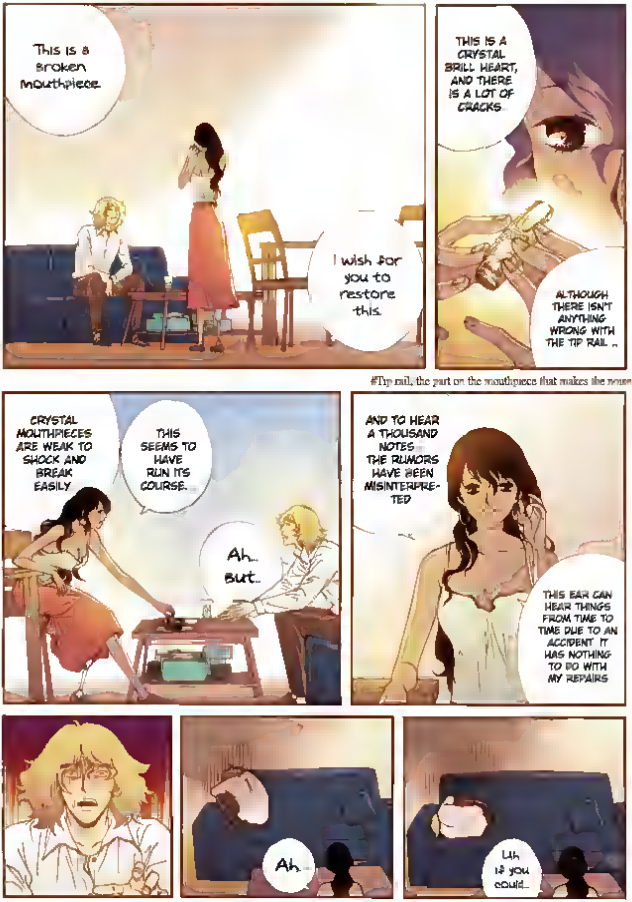

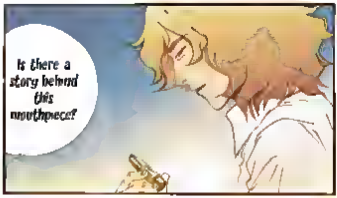

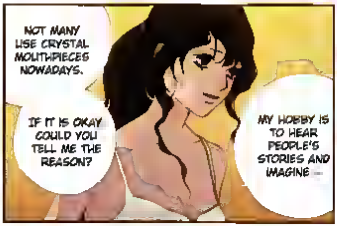

Is that a drawing?

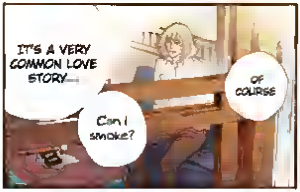

NO. IT'S A WORD IT SOUNDS LIKE 'HAN'... IT'S FROM A SMALL COUNTRY IN ASIA.
THEY SAY IT MEANS 'reluctance' or regret'
'Han'...
SOUNDS LIKE A CHILLY WORD.
WHAT BRINGS YOU TO THIS DARK LAND, MR. SWAIN EVANS?
Do you know me?
JAZZ SAXOPHONIST "SWAIN EVANS". HIS RICH SOUNDS APPEAL TO NOT ONLY THE GENERAL PUBLIC, BUT TO THE EARS OF MANY REVIEWERS...
I'M A SUBSCRIBER.
It's just kind words.
My music is very lacking.
Tak
'CORNELIA BOBO WARSHAW', THE ONE THAT CAN HEAR A THOUSAND NOTES AND DECIPHER THEM.
THIS WORLD'S GREATEST BRASS INSTRUMENT REPAIRER.

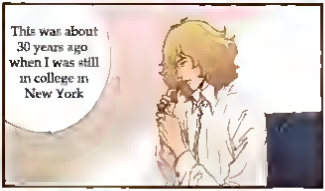

This is a broken mouthpiece.
I wish for you to restore this.
THIS IS A CRYSTAL BRILL HEART, AND THERE IS A LOT OF CRACKS.
ALTHOUGH THERE ISN'T ANYTHING WRONG WITH THE TIP RAIL ..
#Tip rail: the part on the mouthpiece that makes the noise
CRYSTAL MOUTHPIECES ARE WEAK TO SHOCK AND BREAK EASILY.
THIS SEEMS TO HAVE RUN ITS COURSE.
Ah.. But..
AND TO HEAR A THOUSAND NOTES THE RUMORS HAVE BEEN MISINTERPRETED
THIS EAR CAN HEAR THINGS FROM TIME TO TIME DUE TO AN ACCIDENT IT HAS NOTHING TO DO WITH MY REPAIRS
Ah
Uh if you could..

Is there a story behind this mouthpiece?

NOT MANY USE CRYSTAL MOUTHPIECES NOWADAYS.
IF IT IS OKAY COULD YOU TELL ME THE REASON?
MY HOBBY IS TO HEAR PEOPLE'S STORIES AND IMAGINE ...

IT'S A VERY COMMON LOVE STORY...
OF COURSE
Can I smoke?

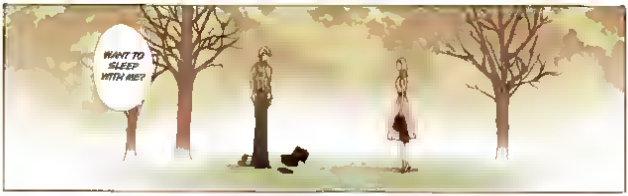

This was about 30 years ago when I was still in college in New York

Ah.. if you would.
I need a little time to imagine myself..

Beep-
Beep
Beep-
During that time, because of a death of a student, there were lots of protests going on.
NO !!! WAR
The country was very disorderly
WAR
Vietnam No troops Collect Out !!!

I played in the park streets,
To gain some funds for the anti-war movement.

DO YOU...

WANT TO SLEEP WITH ME?

I DO NOT.

SWAN EVANS

AH, PROFESSOR.
DO YOU HAVE ANY PLANS OF CHANGING BACK TO THE PIANO?

IF IT'S YOU THEN I DON'T THINK YOU'LL HAVE ANY PROBLEMS IN THE LONTIVO NATIONAL MUSIC CONCOURS
ISN'T THIS A GREAT OPPORTUNITY FOR YOU TOEXPRESS YOUR CLEAR MUSIC STYLE?

Ah. I...
I'M SORRY, I ACTUALLY
EVANS. THE SAXOPHONE DOESN'T SOUND LIKE A WOODWIND NOR A BRASS. THE SOUND IS INCOMPLETE
IT SOUNDS MUFFLED AND IS A SHALLOW INSTRUMENT
But.....
NO INSTRUMENT
TAKES THAT EMOTION AND OUTPUTS IT RAW.
DO YOU UNDERSTAND?
YOUR LIFE HAS TO BE TROUBLING
SO THAT LISTENERS CAN BE TOUCHED BY YOUR PERFORMANCE.
IT'S A VERY HARD ROAD, SWAN EVANS.
Hey!

WHO?
Apologize!
ROSEMARY?
YES! IT'S MY HEALTH REPORT!
AS YOU CAN SEE I HAVE NO ILLNESS OR DISEASES! THEREFORE!
I am not a dirty woman!!
So apologize! For calling me a dirty woman before and refusing me!!

AH, BACK THEN...
THE WOMAN WITH MESSED UP MAKE-UP?

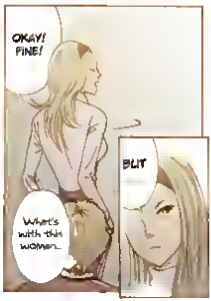

DO YOU...
WANT TO SLEEP WITH ME?

.....
I DO NOT.

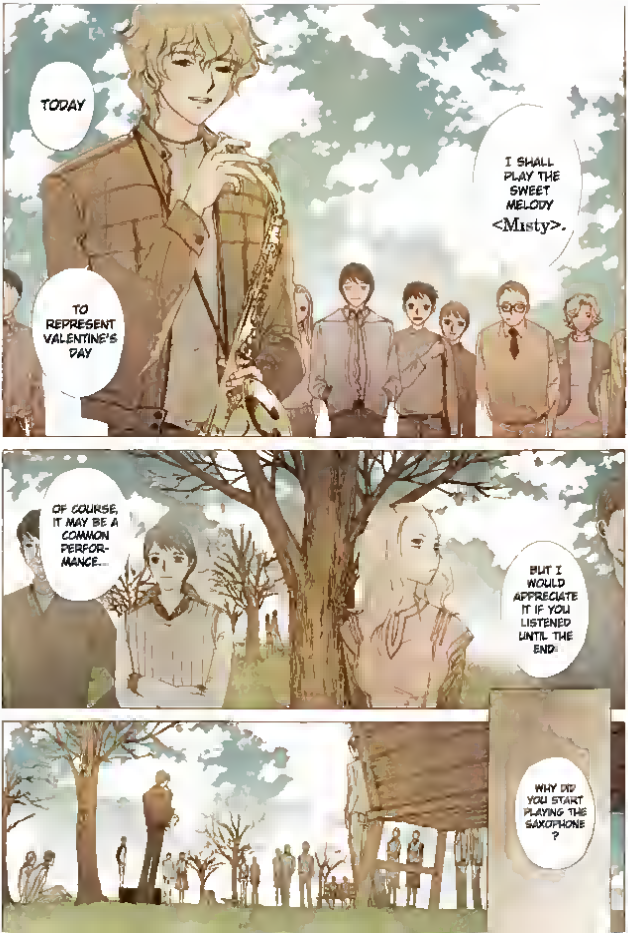

HEY, WHAT I MEANT WAS...
Apologize!!

—WELL, I DIDN'T MEAN THAT BUT,
I WILL APOLOGIZE. I AM SORRY.

OKAY! FINE!
BUT
What's with this woman...

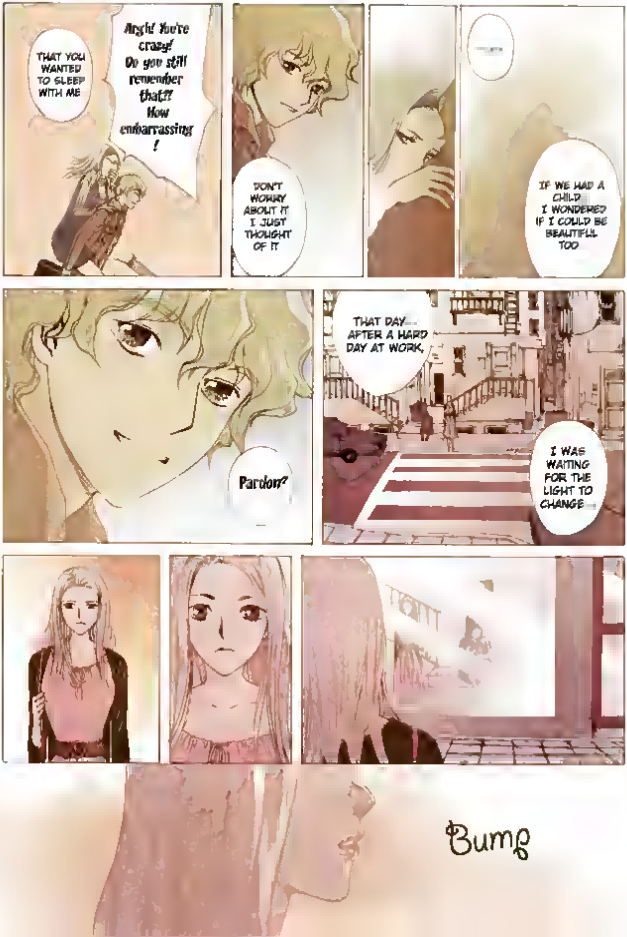

BUT WHAT DID YOU MEAN WHEN YOU SAID "I DIDN'T MEAN THAT"?
SHALL WE SAY YOU REALLY LOOKED DIRTY...
YOUR MAKE-UP WAS MESSY YOUR MASCARA WAS RUNNING YOUR HAIR WAS ALL OVER THE PLACE YOUR STOCKING WAS IN PIECES
WOULD YOU HAVE AGREED, IF YOU WERE IN MY SHOES?
YEAH, YOU HAD A GOOD LOOK AT ME THEN, HUH!
I THINK YOU'RE A VERY FUNNY WOMAN...
WELL I THINK YOU'RE FUNNY TOO!
LISTEN TO A TUNE BEFORE YOU GO
Who would listen to something as common!!
NO WAR!
NO WAR!
UNDERSTAND WAR NO!!

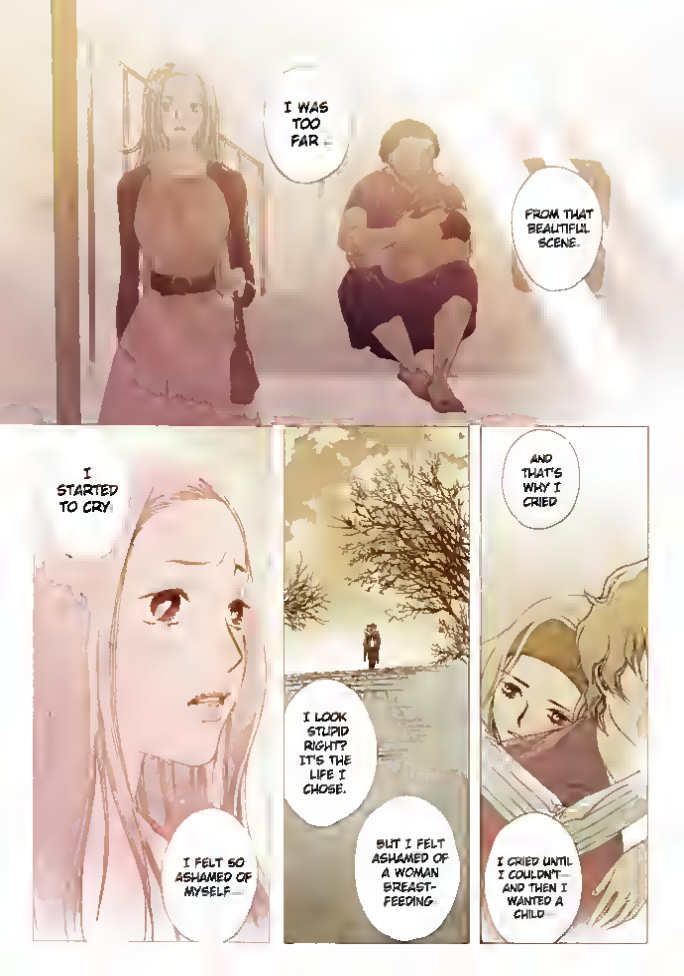

TODAY
TO REPRESENT VALENTINE'S DAY
I SHALL PLAY THE SWEET MELODY <Misty>.
OF COURSE, IT MAY BE A COMMON PERFOR-MANCE...
BUT I WOULD APPRECIATE IT IF YOU LISTENED UNTIL THE END.
WHY DID YOU START PLAYING THE SAXOPHONE ?

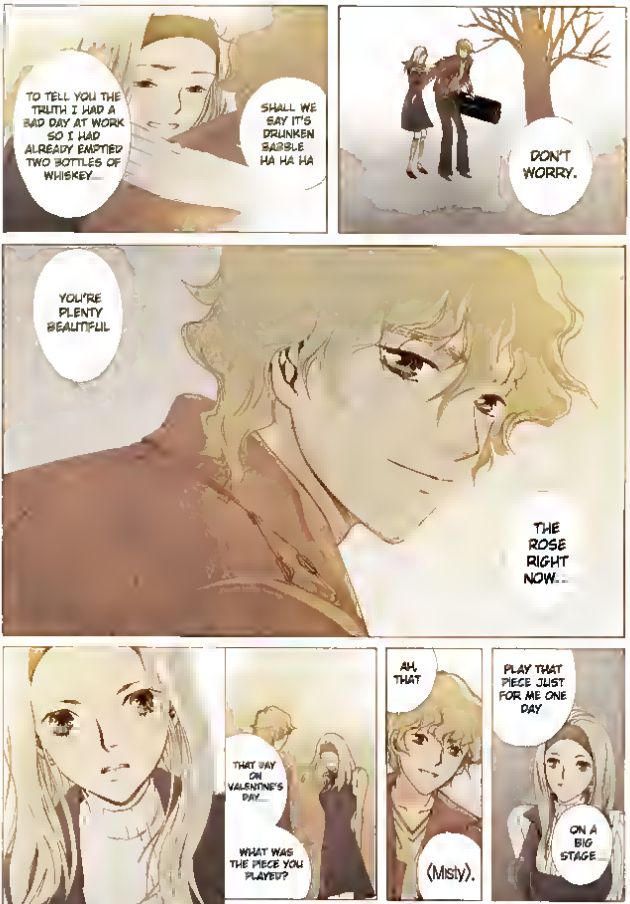

WELL... I GUESS...
BECAUSE IT LOOKS COOL?
AS I THOUGHT! IT WAS TO GET WOMEN! YOU PLAYER!!
BUT WHY DID YOU CRY THEN?
HM...
I GUESS I JUST WANTED TO CRY TO MAKE MY MAKE-UP RUN...
YOU KNOW YOU HAVE THOSE DAYS
AS I THOUGHT
YOU'RE A FUNNY WOMAN.

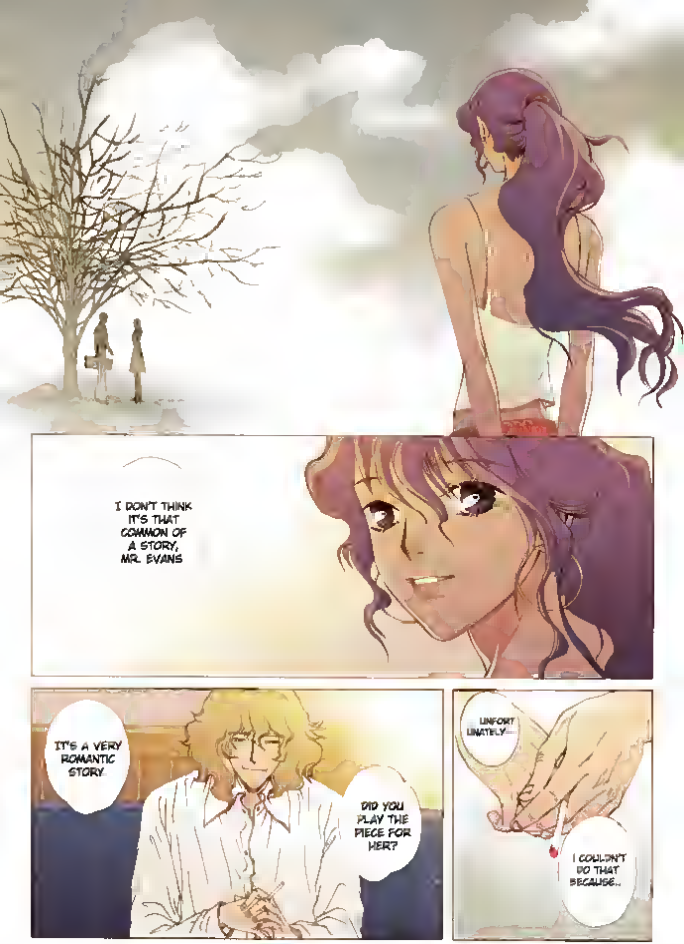

Bang
Bang
SLAM
SLAM
ROSE!!

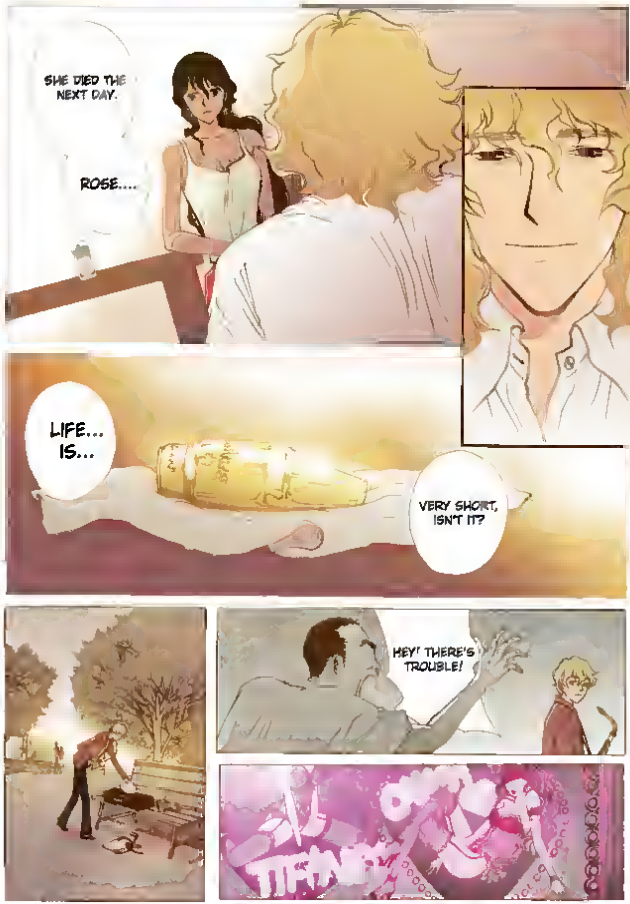

WAAHHHHH
COUGH
COUGH
ARE YOU OKAY?
BACK THEN, WHY DID YOU SAY THAT?
PARDON?
No.
My legs are shaking so much... I can't walk.

THAT YOU WANTED TO SLEEP WITH ME
Argh! You're crazy! Do you still remember that?! How embarrassing!
DON'T WORRY ABOUT IT I JUST THOUGHT OF IT
IF WE HAD A CHILD I WONDERED IF I COULD BE BEAUTIFUL TOO
Pardon?
THAT DAY... AFTER A HARD DAY AT WORK,
I WAS WAITING FOR THE LIGHT TO CHANGE...
Bump

I WAS TOO FAR...
FROM THAT BEAUTIFUL SCENE.
I STARTED TO CRY
I FELT SO ASHAMED OF MYSELF...
I LOOK STUPID RIGHT? IT'S THE LIFE I CHOSE.
BUT I FELT ASHAMED OF A WOMAN BREAST-FEEDING
AND THAT'S WHY I CRIED
I CRIED UNTIL I COULDN'T... AND THEN I WANTED A CHILD...

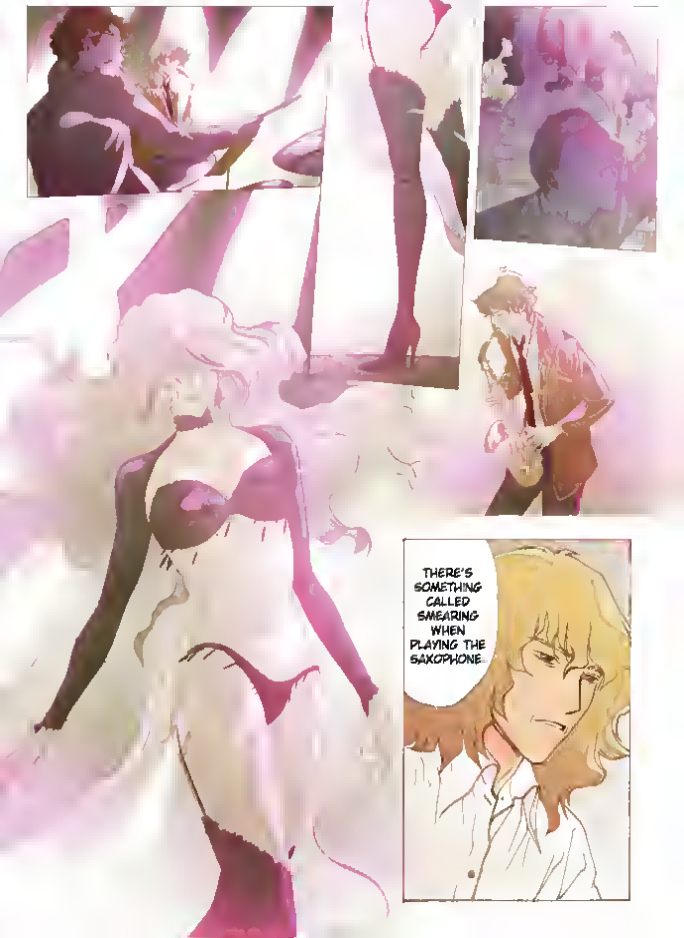

TO TELL YOU THE TRUTH I HAD A BAD DAY AT WORK SO I HAD ALREADY EMPTIED TWO BOTTLES OF WHISKEY.....
SHALL WE SAY IT'S DRUNKEN BABBLE HA HA HA
DON'T WORRY.
YOU'RE PLENTY BEAUTIFUL
THE ROSE RIGHT NOW...
THAT DAY ON VALENTINE'S DAY...
WHAT WAS THE PIECE YOU PLAYED?
AH, THAT
(Misty).
PLAY THAT PIECE JUST FOR ME ONE DAY
ON A BIG STAGE...

I DON'T THINK IT'S THAT COMMON OF A STORY, MR. EVANS
IT'S A VERY ROMANTIC STORY.
DID YOU PLAY THE PIECE FOR HER?
UNFORT UNATELY...
I COULDN'T DO THAT BECAUSE..

SHE DIED THE NEXT DAY.
ROSE....
LIFE... IS...
VERY SHORT, ISNT IT?
HEY! THERE'S TROUBLE!

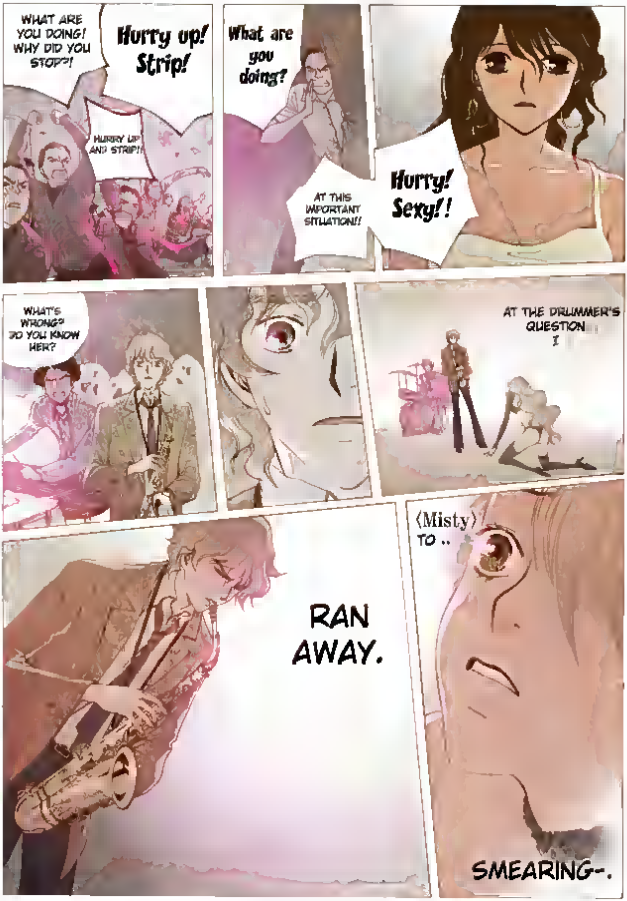

IS THIS THE TROUBLE ?
DON'T SAY THAT AND LOOK HERE! THE GUY THAT PLAYS HERE GOT DIARRHOEA!
The weekday strip show is only for regulars?
I'LL GIVE YOU TWICE THE AMOUNT I GIVE TO THE STRIPPERS! YOU JUST HAVE TO MAKE THE STRIPPERS GET INTO THE MOOD!!
I DON'T WANT TO GEEZ..
FIVE TIMES!!
I THOUGHT THAT JOB
-WAS EMBARRASSING, BUT
BACK THEN,
Rose
Ro
IF I SAW ANY CONNECTION WITH HER, THEN I FELT THAT THE SMALL DANCE HALL WAS DIVINE

YOU GET IT, RIGHT? THE PEOPLE WHO COME HERE ARE NOT INTERESTED IN MUSIC.
MISTY
SO ALL YOU NEED TO DO IS PUT SOME MUSIC ON THAT WILL GET THE WOMEN STRIPPING SEXILY
LET'S DO OUR BEST
Sexy...
Shall we go with the piece <Misty>.
Our lover! Medusa!!
YOU'VE BEEN WAITING A LONG TIME!
TODAY'S HIGHLIGHT!
ROSE'S ACE!
HURRY THE HELL UP!
DO YOU THINK I CAME HERE TO SEE YOU?!
How Shallow...

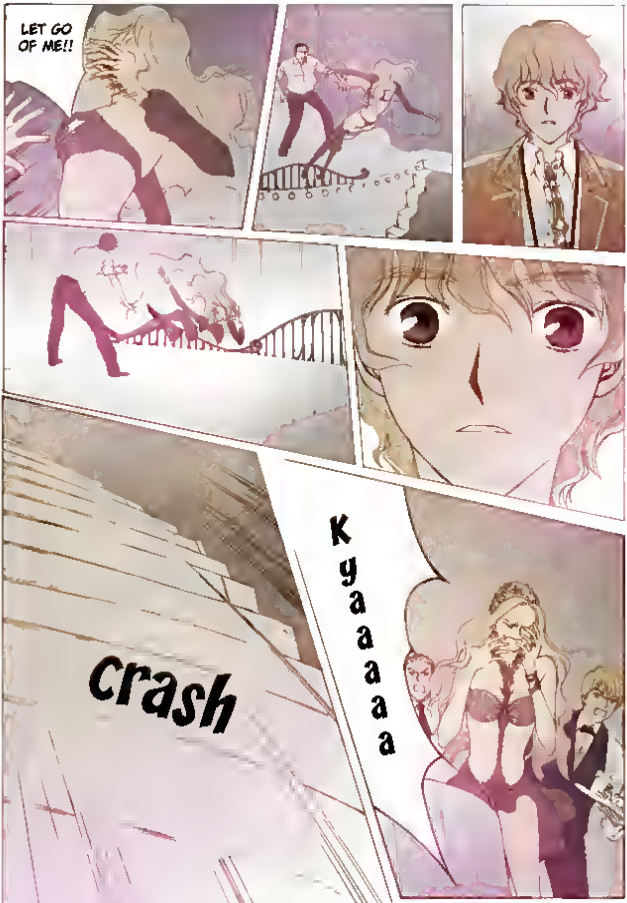

THERE'S SOMETHING CALLED SMEARING WHEN PLAYING THE SAXOPHONE.

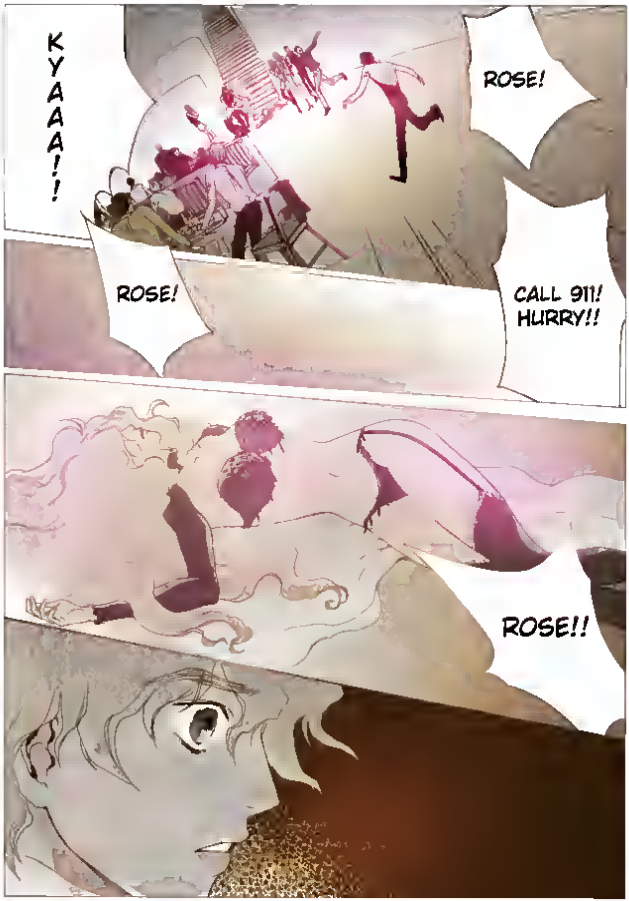

IT'S TO CONNECT THE NOTES WITHIN EACH OTHER AND GOES FROM THE LOW TONE TO THE HIGH TONE.
IT'S THE MOST ORGANIC, SENSUAL WAY TO PLAY
IF YOU GO OVERBOARD WITH IT
THE PEOPLE LISTENING, THE PEOPLE PLAYING
EVEN THE SHALLOW PEOPLE WILL BE ABLE TO FEEL IT.

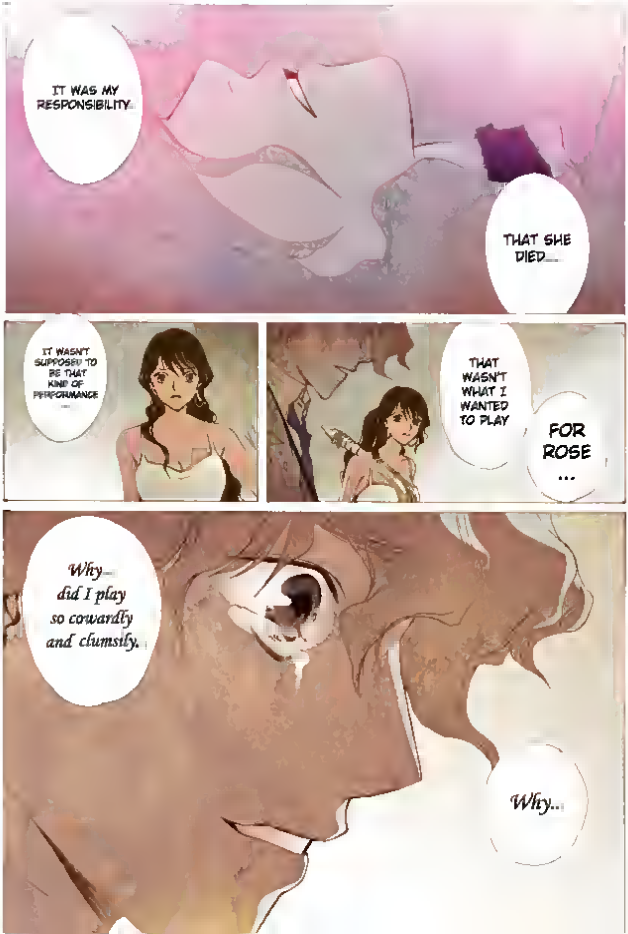

WHAT ARE YOU DOING! WHY DID YOU STOP?!
Hurry up! Strip!
HURRY UP! AND STRIP!!
What are you doing?
AT THIS IMPORTANT SITUATION!!
Hurry! Sexy!!
WHAT'S WRONG? DO YOU KNOW HER?
AT THE DRUMMER'S QUESTION I
RAN AWAY.
〈Misty〉 TO ..
SMEARING-.

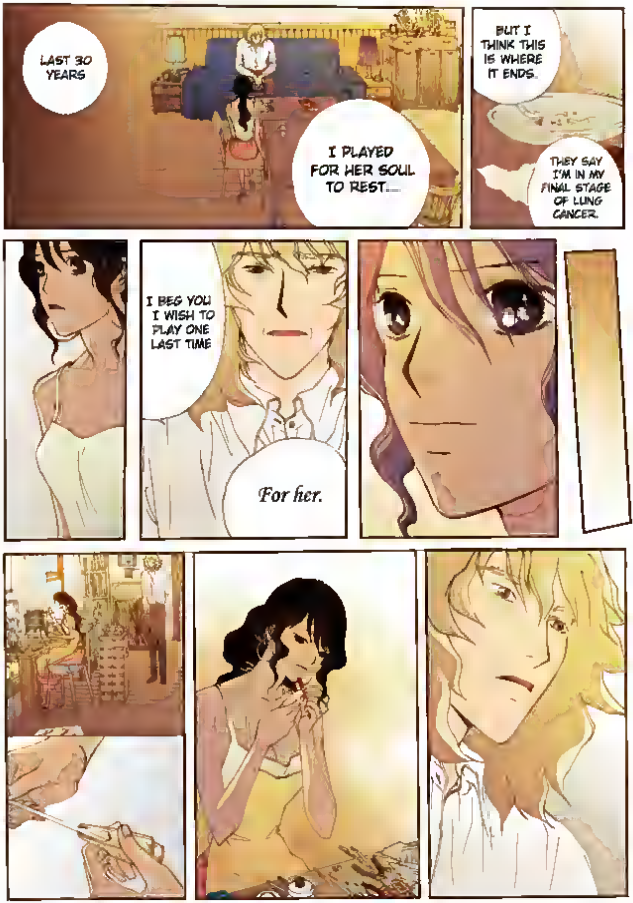

WHERE ARE YOU GOING, YOU BITCH! ARE YOU MAD?!
DO YOU WANT TO SEE ME RUINED?!

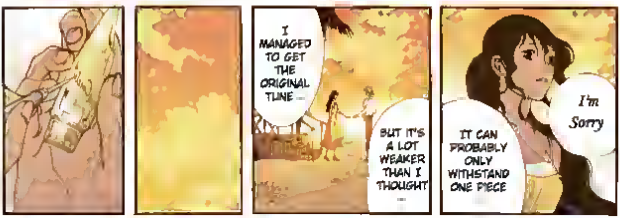

LET GO OF ME!!
crash
Kyaaaaa

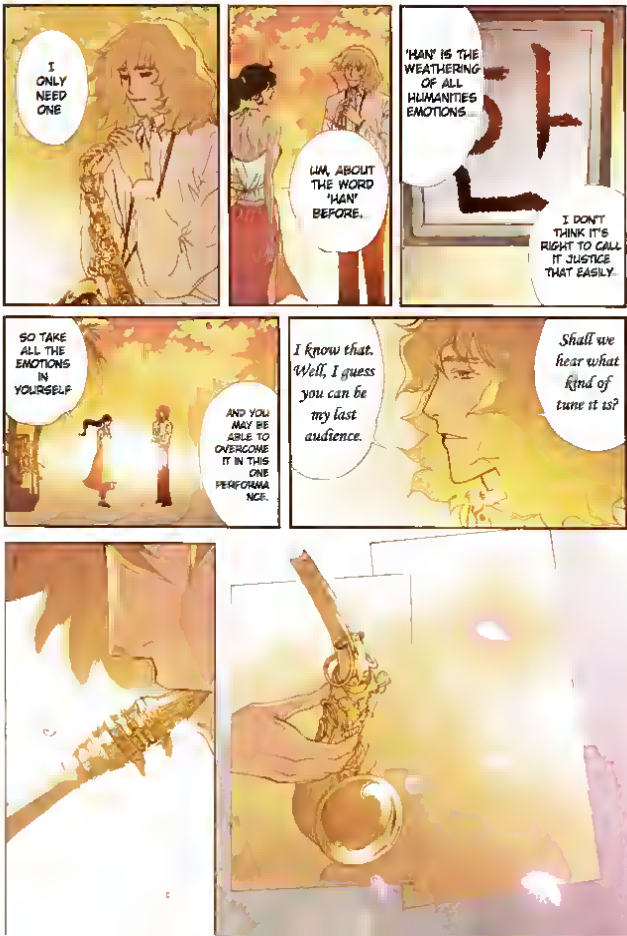

KYAAAA!!
ROSE!
ROSE!
CALL 911! HURRY!!
ROSE!!

IT WAS MY RESPONSIBILITY...
THAT SHE DIED...
IT WASN'T SUPPOSED TO BE THAT KIND OF PERFORMANCE...
THAT WASN'T WHAT I WANTED TO PLAY
FOR ROSE ...
Why... did I play so cowardly and clumsily.
Why...

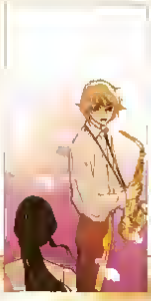

.....
Why...
I HAVE NOT FORGOTTEN THEM.
NOT EVEN FOR A DAY~.
THOSE EYES ...
기억

LAST 30 YEARS
I PLAYED FOR HER SOUL TO REST...
BUT I THINK THIS IS WHERE IT ENDS.
THEY SAY I'M IN MY FINAL STAGE OF LUNG CANCER.
I BEG YOU I WISH TO PLAY ONE LAST TIME
For her.

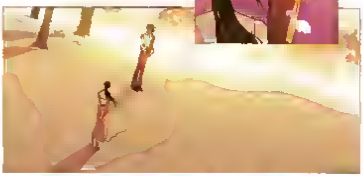

I MANAGED TO GET THE ORIGINAL TUNE
BUT IT'S A LOT WEAKER THAN I THOUGHT
IT CAN PROBABLY ONLY WITHSTAND ONE PIECE
I'm Sorry

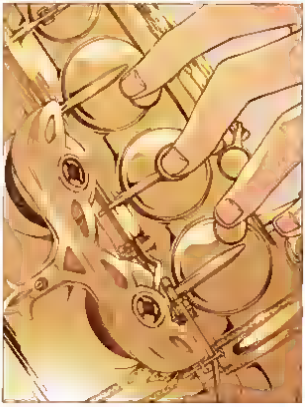

I ONLY NEED ONE
UM, ABOUT THE WORD 'HAN' BEFORE.
'HAN' IS THE WEATHERING OF ALL HUMANITIES EMOTIONS.
한
I DON'T THINK IT'S RIGHT TO CALL IT JUSTICE THAT EASILY.
SO TAKE ALL THE EMOTIONS IN YOURSELF
AND YOU MAY BE ABLE TO OVERCOME IT IN THIS ONE PERFORMANCE.
I know that. Well, I guess you can be my last audience.
Shall we hear what kind of tune it is?

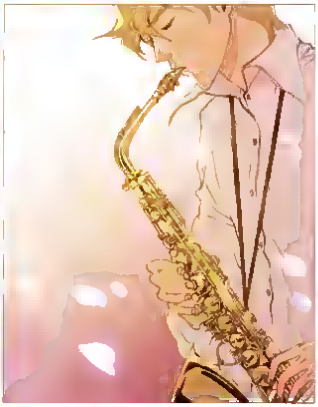

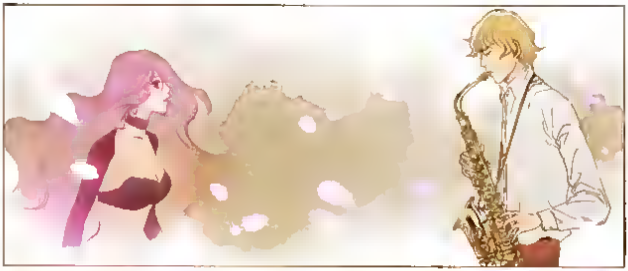

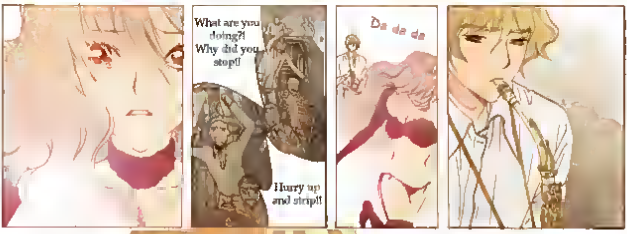

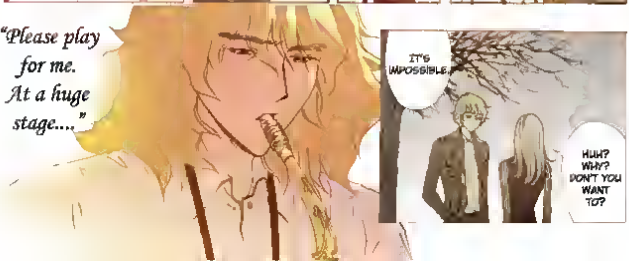

What are you doing?! Why did you stop!!
Hurry up and strip!!
Da de da

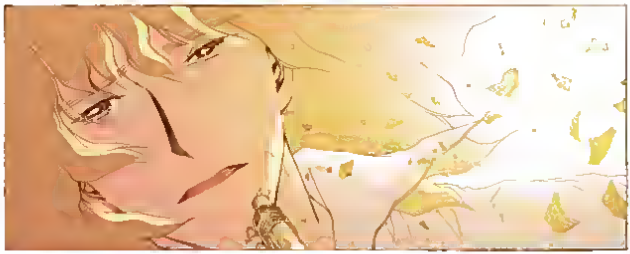

"Please play for me. At a huge stage...."
IT'S IMPOSSIBLE!
HUH? WHY? DON'T YOU WANT TO?

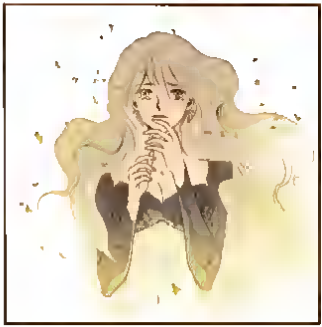

Do you know the reason behind the composition of <Misty>?
It's a sorrowful love confession.
Sorrowful? HM... I JUST FELT IT WAS SWEET...
SO IT'S IMPOSSIBLE FOR ME.
THE PIECE WAS TO ALLOW THE AUDIENCE TO FEEL THAT SORROW THROUGH MY LOVE.
BUT I'M LACKING IN THAT PART...
BUT YOU WILL LET ME LISTEN TO IT LATER, THOUGH?
Right?
Right?

St
OP

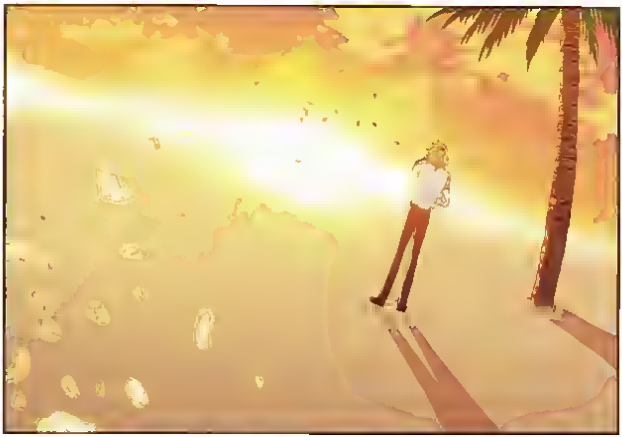

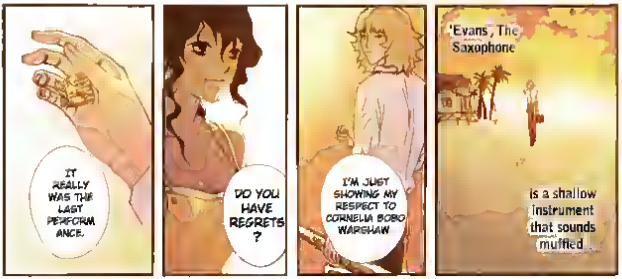

IT REALLY WAS THE LAST PERFORM ANCE.
DO YOU HAVE REGRETS ?
I'M JUST SHOWING MY RESPECT TO CORNELIA BOBO WAREHAW
'Evans, The Saxophone
is a shallow instrument that sounds muffled

But there is no other instrument
PLEASE COME AGAIN WHEN YOUR INSTRUMENT NEEDS REPAIRS!
That can appeal to the emotions of people
Your life has to be painful
So that the audience can be touched by your performance
BUT TO MOVE A PERSON'S HEART COMES FROM
한
DOESN'T IT, MR SWAN EVANS?

HAN

By the way

UH... I'M LOOKING FOR A PIECE TO USE IN A PROPOSAL, DO YOU HAVE ANYTHING YOU CAN RECOMMEND?
A PROPOSAL PIECE... WELL...
First, tell me a little bit about you and your girlfriend
I really love her!
I feel my heart beating and I can't breathe just thinking about her..!
BUT SHE PROBABLY DOESNT KNOW I FEEL THAT WAY ABOUT HER.
I'M A LITTLE BLUNT.... BUT MY FEELINGS FOR HER ARE TRUE..

Then,
It's <Misty>.
<Misty>?
Yes. <Misty> was Erroll Garner's creation in 1950
Do you want to listen to it?
When he was looking out of a plane window into San Fransisco
It's an excellent piece that captures someone's desperate love.

Don't you notice how hopeless I'm lost
내가 얼마나 그대에게 빠져 있는지 그대는 모르겠지
That's why I'm following you
그래서 나는 그대의 뒤를 쫓을 뿐이야
Never knowing My right foot from my left
My hat from my glove
왼쪽과 오른쪽과 위와 아래
아무것도 구별아 가지 않아
On my own,
world I wander through
This wonderland alone
홀로 이 원더랜드를 헤매야 한다니
생각조차 할 수 없어
I'm too misty
and too much in love
나는 그저 안개 속에서 그대에게 푹 빠져 있을 뿐

I THINK I GOT THIS AT SOME FLEA MARKET IN POLAND
I DIDN'T KNOW THAT THERE WOULD BE A PERSON WHO CAME AND TRIED TO BUY IT
I PUT IT UP ON EBAY BECAUSE I DIDN'T HAVE ENOUGH SPACE HERE TO PUT IT UP
ASIDE FROM THE SCRATCHES ON THE BELL, I THINK THE REST IS FINE.
YES I THINK THIS IS THE RIGHT ONE
THIS SCRATCH
I'M SURE OF IT.
IS THERE A STORY BEHIND THAT?
IT'S MY LITTLE HOBBYTO WEAR ABOUT OTHER PEOPLE'S STORIES

THERE'S NO BETTER SONG FOR A FUNERAL
WHY IS HE BLOWING THAT HORN ANYWAY?
DON'T YOU KNOW? IT'S THE CAMP COMMANDER'S ORDER.
YOU EVADE THE JEW'S EVIL SPIRITS OR SOMETHING WHEN THE TRUMPET'S PLAYED
GIVE A CIGARETTE.
THE NEW CAMP COMMANDER, IF HE STEPS OUT WITH HIS LEFT FOOT IN THE MORNING HE THINKS IT'S HORRIBLE LUCK AND WON'T DO ANYTHING ELSE IN THAT DAY. HE'S A SUPERSTITIOUS NUT
BUT THEN THE GAS CHAMBERS SEEM TO GO AROUND ALL RIGHT. SO I GUESS HE'S A MURDER NUT?
I GUESS TO THINK THOSE JEWS BECOME ASH AFTER A FEW MINUTES
DO YOU THINK HE'S KILLED MORE THAN ONE GUY?

HEY OSCAR! I HEARD YOU WORKED AT THAT WITH A MAJOR GENERAL BEFORE YOU CAME HERE?
I MEAN, JUST THINK ABOUT TODAY HOW MANY HAVE YOU SENT TO THE CHAMBERS WITH THAT TRUMPET TUNE?
TO THINK EVERYONE STANDS IN A LINE TO THE CHAMBERS AFTER YOU PLAY THAT TUNE, IF WE THINK OF SKILLS, YOU'RE PROBABLY AT THE TOP
HA HA!
I'M JUST FOLLOWING ORDERS
TAK TAK

I THOUGHT YOU'D BE HUNGRY AFTER PLAYING IN THE MORNING
HEH HEH
THINKING ABOUT THE PAST, I WONDER WHAT I WAS THINKING BACK THEN
TO THINK THAT I SAW SOMETHING TO A NEGRO SOLDIER AT A CONCENTRATION CAMP
I GUESS IT WAS POSSIBLE SINCE YOU WERE SO YOUNG
YEAH BUT
MY BROTHER, LEOTTO WAS DIFFERENT

TAK

WHAT DO YOU THINK YOU'RE DOING HERE, OTTO!
But Father!
I'M SORRY, MY BROTHER DOESN'T KNOW ANY BETTER.
LET'S GO! YOU'RE GOING TO BE IN BIG TROUBLE WHEN WE GET BACK!

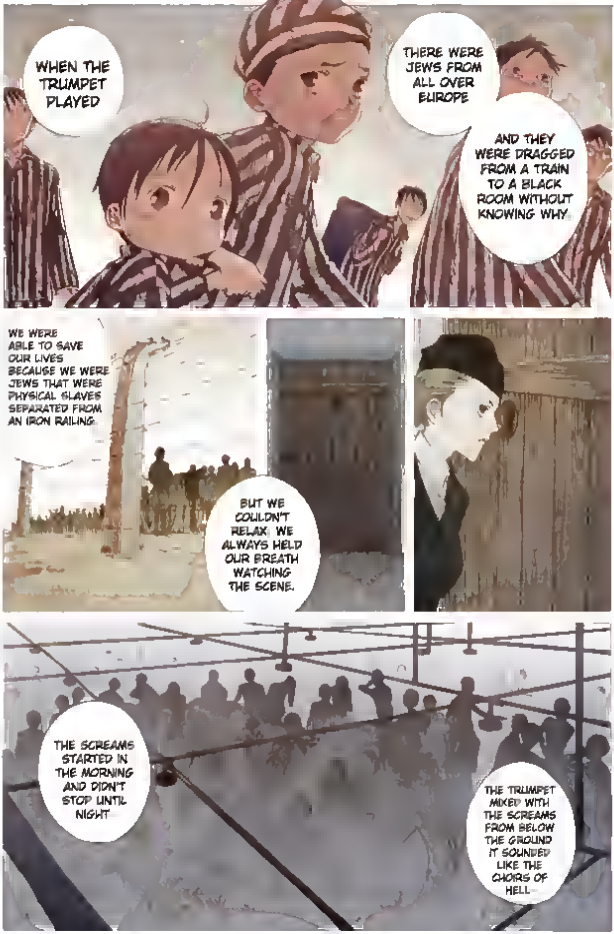

OTTO!
YOU KNOW THAT AND YOU'RE GIVING FOOD TO THOSE GERMANS?
I'M OKAY WITH THIS TREE ROOT
WHAT ARE YOU SO SURPRISED ABOUT? TAKE THIS
AH... BUT YOU'RE HUNGRY TOO
THOSE GUYS EAT THINGS MUCH BETTER THAN WHAT WE EAT HERE. THEY EAT MUCH, MUCH MORE THAN US. THEY PROBABLY HAVE PARTIES EVERY DAY!
I'M GRATEFUL THAT YOU KNOW THAT THERE ARE SOME WHO HAVE NO SHAME AT ALL.
THOSE GUYS PLAY THAT TRUMPET TO MASSACRE JEWS...
YOU GUYS MIGHT BE THE NEXT PEOPLE TO GET DRAGGED OFF...
HUMPH! YOU'RE THE OLDER ONE SO YOU'LL GO FIRST!
I DON'T FIND IT WEIRD IF YOU GET DRAGGED TO THE GAS CHAMBERS TOMORROW!!!
WHAT IS THIS LITTLE BRAT SAYING!!
I'LL PROTECT MY OWN BROTHER!!!
MY BROTHER WAS QUITE A BRAGH BOY EVEN WHEN HE WAS YOUNG...
HE BECAME LIKE THAT TO SURVIVE AT THE CAMP...
HE WASN'T EVEN SCARED OF THE GERMAN SOLDIERS
BUT...

HE WAS AFRAID OF ONE PERSON.

WHEN THE TRUMPET PLAYED
THERE WERE JEWS FROM ALL OVER EUROPE
AND THEY WERE DRAGGED FROM A TRAIN TO A BLACK ROOM WITHOUT KNOWING WHY.
WE WERE ABLE TO SAVE OUR LIVES BECAUSE WE WERE JEWS THAT WERE PHYSICAL SLAVES SEPARATED FROM AN IRON RAILING.
BUT WE COULDN'T RELAX. WE ALWAYS HELD OUR BREATH WATCHING THE SCENE.
THE SCREAMS STARTED IN THE MORNING AND DIDN'T STOP UNTIL NIGHT.
THE TRUMPET MIXED WITH THE SCREAMS FROM BELOW THE GROUND IT SOUNDED LIKE THE CHOIRS OF HELL.

AND EVERY DAY,
FOR TWO YEARS, JEWS KEPT DYING
EVERYONE WAS AFRAID OF THE TRUMPETER
BUT THERE WAS ONE PERSON WHO WASN'T AFRAID
YES THAT WAS ME
UH...

IT'S A ROCK. IT'S SHAPED LIKE A STAR. I DIDN'T THINK YOU WOULD BE HUNGRY
MY DAD TOLD ME THIS. A STAR GIVES YOU HAPPINESS.
OUR DAD PLAYED THE TRUMPET AS WELL.
OUR WHOLE FAMILY AWOKE TO THE SOUND OF THE TRUMPET.
DO YOU KNOW WHAT THE SONG WAS?
I'LL SING IT FOR YOU!
Go my heart
On golden wings
My old home, where with wind and scent

VERDI'S NABUCCO
IT'S THE SONG OF THE HEBREW SLAVES IN EGYPT
NABUCCO IS THE SONG THAT YOU JEWS PLAY THINKING OF HOME
IF YOU SING IT HERE THEN NO ONE CAN LIVE
AND
I'M NOT YOUR DAD
tak
DO YOU GET IT?
I HAVE A BOY SMALL AS YOU.
YOU
ARE NOT MY SON.
TAK

I'LL TAKE THAT FOR YOU SO DON'T BOTHER ME AGAIN
IT SEEMS THAT HE WAS A KIND PERSON, I GUESS
YOU'RE GOING TO KEEP PLAYING THE TRUMPET, RIGHT?
RIGHT?
whik
HUH?
EH?

DON'T BE FRIENDLY WITH GLASSES
HE'S A GERMAN THAT GUY. HE THINKS OF US LOWER THAN PIGS OR DOGS
THIS HOCK.
SNIFF...
DON'T CRY! YOU'RE GOING TO GET HUNGRY IF YOU CRY!
THERE WAS A NICE VIOLET ON THE SOUTH FENCE.
DO YOU REMEMBER VIOLETS OTTO?
WAS IT YELLOW?
NO. IT'S PURPLE IT WAS HARD TO FIND BECAUSE IT WAS SO SMALL
WE USED TO RUN AROUND THE VIOLET FIELD AND MOM USED TO CALL US...
HYUNG!
HM?
I CAN'T REMEMBER.

WHAT COLOR THE VIOLET WAS, WHAT SOUP WE USED TO EAT...
WHAT OUR MOM AND DAD LOOKED LIKE
I CAN'T REMEMBER IT...
BUT I REMEMBER THAT
THE TRUMPET THAT OUR DAD USED TO PLAY
THE STRONG AND FUN SOUNDS OF THE TRUMPET
OTTO, DO YOU WANT TO GO SEE THE VIOLET TOMORROW?
I KNOW THE SOUTH FOREST IS A BIT DANGEROUS, BUT I THINK IT'LL BE OKAY. YOU HAVEN'T SEEN A VIOLET HERE. LET'S GO TOMORROW
OKAY? WE'LL GO TOMORROW

WHAT ARE YOU DOING?!
YOU LITTLE JEWISH BRATS!, DO YOU WANT TO DIE?
WHY DID YOU CRAWL ALL THE WAY HERE?
HA.
DON'T YOU KNOW THAT WE'LL SHOOT TO KILL YOU IF YOU TRY TO ESCAPE?
IT'S A MIS-UNDERSTANDING! WE JUST WANTED TO PEE.
I'M SORRY WE'LL HOLD IT IN.

WHAT'S WRONG?
OH, THESE KIDS WERE TRYING TO ESCAPE.
YEAH? ESCAPE? LET'S SEE... THEY SAID TO SAVE BULLETS RECENTLY SO...
HM...
WE'LL JUST SEND THEM TO THE GAS CHAMBERS BOTH OF THEM.
SHALL WE?
W-WAIT! WAIT!
YOU CAN'T DO THAT!
HUH? WHY NOT?
T-TRUTHFULLY, WE WERE HERE ON ORDERS FROM THE GENERAL!
IF YOU KILL US BOTH, YOU'LL BE IN TROUBLE!
WHAT'S THAT, BRAT?!

I'M TELLING THE TRUTH! SEARCH MY BROTHER'S POCKET IF YOU DON'T TRUST ME!
YOU'LL GET A ROCK!
IT'S TRUE.
THE GENERAL BELIEVES THAT STARS HAVE THE POWER TO CHASE AWAY DEMONS AND TOLD US TO FIND THE STONE!
WE NEED TO TAKE THAT STONE BACK! IF WE DON'T, THEN THERE WILL BE A HUGE FUSS!!
IS HE TELLING THE TRUTH?
I DON'T KNOW BUT OUR GENERAL IS QUITE SUPERSTITIOUS.
ALRIGHT, WE'LL LET YOU GO
BUT ONLY ONE!
YOU DON'T NEED TWO LITTLE BRATS TO DELIVER ONE STONE TAKE THE BIG ONE.
NO! HYUNG! HYUNG!!
OTTO!

Golden harp of the prophetic seers.
Why dost thou hang mute upon the willow?

By the way

OH DEAR,
HOW RARE FOR YOU TO ASK TO SEE AN OPERA.
IT'S GOOD FROM TIME TO TIME. HO HO.
SINCE ALL THE CHILDREN HAVE LEFT, IT'S TIME FOR US TO ENJOY OUR LIVES.
AS IF NO ONE SUSPECTS YOU BEING AN ITALIAN.
BUT WHY <NABUCCO>? WE SAW THIS AGES AGO.
DO YOU REMEMBER?
HOW COULD I FORGET? IT WAS THE FIRST OPERA WE SAW AT A THEATRE.
OH YES.
I REMEMBER YOU SNORING AWAY AT THE <CHORUS OF THE HEBREW SLAVES> AT ACT 3.
HAHAHA, DID I?
I WAS SO EMBAR-RASSED.

BUT LISTEN, I REALLY LIKE THAT ACT. WHEN I LISTEN TO THE THIRD ACT OF <NABUCCO>,
HOW SHOULD I SAY THIS, I FEEL LIKE I CAN OVERCOME ANY DIFFICULT HARDSHIPS.
NOW, WITH THE TWO OF US,
LET'S TRY OUR BEST.
Fly, thought, on wings of gold; go settle upon the slopes and the hills.
where, soft and mild, the sweet airs of our native land smell fragrant!
Greet the banks of the Jordan and Zion's toppled towers...
Oh, my country so beautiful and lost!
Oh remembrance so dear and so fatal!

Golden harp of the prophetic seers
Why dost thou hang mute upon the willow? Rekindle our bosoms memories,and speak to us of times gone by!

Take your time. It is only but a village fest val.
But it is a fest'val that the kids have been preparing for, for over a year!
Mr. Tobin, the one who donated the piano is also counting on us.

If that happens, her symptoms won't be limited to just auditory and visual hallucinations.

It's as if...
She's trying to protect the illness.

Protecting the illness...
That may be right.
But this could be ..

Alan, would you like to hear...?
About Carmela's story from a few years ago.

Yes, I finished repairing the Ney!
Na Na... repairing an Islamic instrument was fun.
The only problem is, while coming back, the car broke down so in a village near the border...
Here? Well Father, I think it's just a little village.
I don't know if that's the reason why, but the Muslims seem to be more prominent here than in the city...

We Muslims have a law that must be absolutely obeyed
That is Sharia!
Sharia is the basic concept behind Islam, and we hold it to our lives.
The commandments state that stealing is forbidden
Chapter 5, Verse 38 of the Koran reinforces this.
It states that those who steal must amputate their hands in recompense for their actions.
We've already moderated the punishment because he's a kid.
One must be taught the severity of thieving to become a proper adult.
No matter the reason, it doesn't change the fact that a child cannot tolerate this amount of pain.
We need to take him to the hospital quickly

What a daring woman.
May I ask what you do for a living?
Ah, I am...
An instrument repairwoman from South Africa.
Huh, An instrument repair woman...
A repair-woman from Africa?
Are you possibly the woman who repaired the Ney in Mu ster Muhammad's residence this morning?
What?
If she s that woman, she s an amazing person, Sayed
It was a hot topic among the residence employees even before she came
A repairer of wind instruments who is so skilled that you can count the number of her equals with one hand.
She has perfect pitch,
so she can hear how the sound travels through any metal and figure out what s wrong with the instrument.
But the most surprising thing s.

When that woman was young.
She was a genius weapon mechanic from West Africa.
Is it true Hemenet.
It is! You know our man Asteri. He was bragging about it all day.
Seyoum, I think we need to approach this with a more open mind.

Of course, if she is the rapist woman,
What's punishment will be an exception.
You're going to work here for two weeks.
It was a closed glass factory but now it's used as a place to keep the weapons we collected.
SFX. Rattle

If you fix them all,
Ahut's punishment will be canceled.

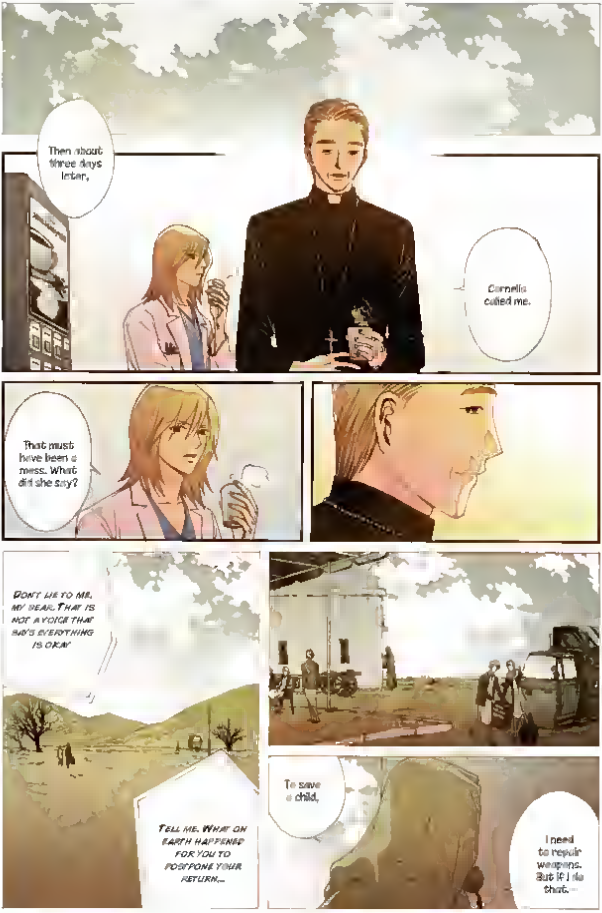

Our village,

Is resisting the government and protecting Islam Fundamentalism.

Almut 20 years ago those government bastards appeared here with Yankees.

They killed numerous Muslims, including my father.
Those westerners accused them of being merciless terrorists and massacred them all.
But they were simply Muslims who [illegible] set foot outside the village.
We decided then – to pass down God's Judgment in place of my father and the other murdered villagers.
...
Even then ..
I can't do this.
I'm not going to make you do it!
If you don't want to do this, just go.
SFX: Bang

Then about three days later,
Cornelia called me.
That must have been a mess. What did she say?
Don't lie to me, my dear. That is not a voice that says everything is okay.
Tell me. What on earth happened for you to postpone your return...
To save a child.
I need to repair weapons. But if I do that...

WEAPONS FIXED BY MY HAND WILL KILL A LOT OF PEOPLE AGAIN
WHAT SHOULD I DO, FATHER?
ULTIMATELY, I WILL AGAIN
WITH MY HANDS

Don't blame yourself, Cornelia
DON'T GIVE UP THE HOPE THAT YOU HAVE IN YOUR MIND

by Ylab

You look like you're in a good mood.
Today is a special day.
?
Try shooting it

EH?
WHAT?
HEY! TAKE THEM ALL OUT!

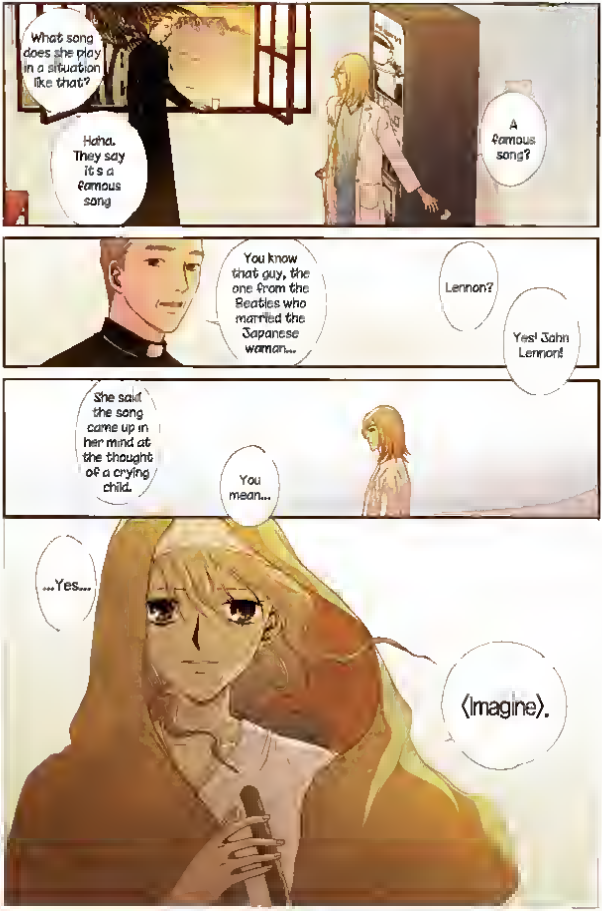

WHAT HAVE YOU DONE!
It is as you see...
These are the weapons I repaired.
I have turned these weapons which cause sadness...
Into instruments that bring happiness.

This is the...
Meaning of my repairs.
WHAT WE WANT ARE GUNS AND SWORDS!!
Those items...
Cannot bring happiness to anyone.
I DON'T NEED APPROVAL FROM SOMEONE LIKE YOU.
OUR GOAL IS TO FIGHT A HOLY WAR!
Then, can you wait just for today?
I'm sure you know, right? That today...

Is the first day...
Of the sacred Nowruz.
When the bells ring, signaling the beginning of Nowruz...
You celebrate the coming of spring and are thankful for all that you have,
And as adults, give presents to the children.
What presents have you all prepared for the children?

T/N Nowruz. An Islamic holiday. The day the sun passes through the vernal equinox. It is a national holiday celebrated throughout the Middle East and even parts of Africa.

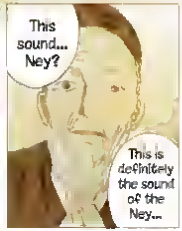

Surely you do not believe that the children...
Will truly be happy if you give them a future that was made with guns and swords?
The presents I am able to give the children today...
It is not very much, but... It is all I have.
She per-forms?

What song does she play in a situation like that?
Haha. They say it's a famous song
A famous song?
You know that guy, the one from the Beatles who married the Japanese woman...
Lennon?
Yes! John Lennon!
She said the song came up in her mind at the thought of a crying child.
You mean...
...Yes...
〈Imagine〉.

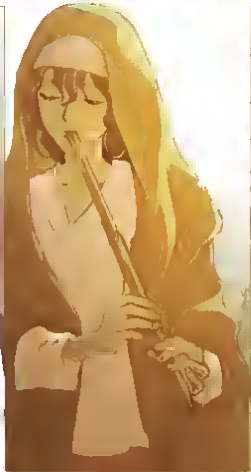

T/N: Ney- A reed flute. An instrument that is widely played from West Africa all the way to parts of Egypt. It is called Shakhabe in certain regions.

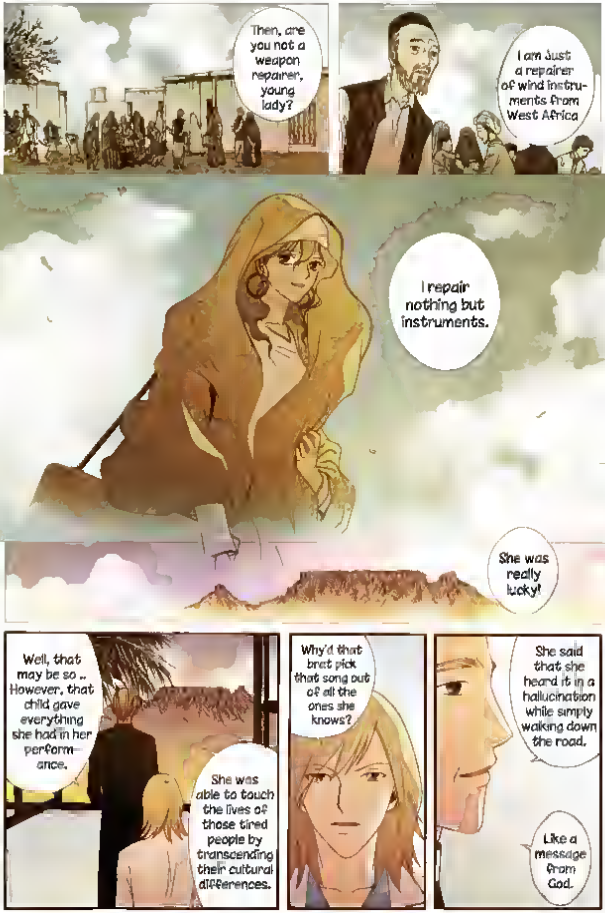

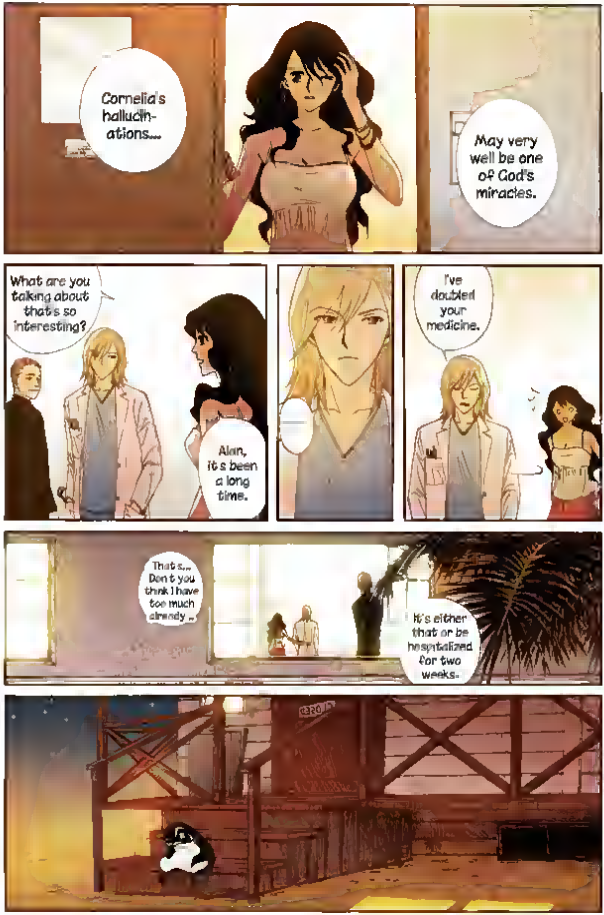

You broke the promise.
Bring Abid here now!
WAAAH! I'M SORRY
PLEASE! WAAAH!
YOU CAN'T!
Move! This had nothing to do with you from the start. I'm not asking you to take responsibility!
NO!

I TOLD HIM TO TAKE THE BAG.
SO PUNISH ME!!
...You're deluding yourself.
Adults have their arms cut off.
I am well-aware.

Abid stole your bag because he was hungry.
If you really want to be nitpick, we're the ones who did something wrong.

Then, are you not a weapon repairer, young lady?
I am just a repairer of wind instruments from West Africa
I repair nothing but instruments.
She was really lucky!
Well, that may be so .. However, that child gave everything she had in her performance.
She was able to touch the lives of those tired people by transcending their cultural differences.
Why'd that brat pick that song out of all the ones she knows?
She said that she heard it in a hallucination while simply walking down the road.
Like a message from God.

Cornelia's hallucin-ations....
May very well be one of God's miracles.
What are you talking about that's so interesting?
Alan, it's been a long time.
I've doubted your medicine.
That's... Don't you think I have too much already...
It's either that or be hospitalized for two weeks.

By the way

Imagine there's no heaven
천국이 없다고 상상해보렴
No hell below us
이곳 아래에 지옥은 없다고
Above us only sky
위에 있는 것은 하늘뿐이라고
Imagine all the people
상상해보렴, 모든 사람들이
Living for today
오늘을 위해 살고 있다는 것을
Imagine there's no countries
그리고 국경조차 존재하지 않는다고

Nothing to kill or die
for and no religion too
죽음과 종교조차
그곳에는 존재하지 않는다고
It isn't hard to do
어려운 일은 아니야
Imagine all the people
모든 사람들이 평화롭게
Living life in peace…
살아가는 것을 상상해보렴

You may say I'm a dreamer
너는 나를 몽상가라 말자도 모르지만
But I'm not the only one
하지만 나뿐만이 아니야
탕 탕 탕 탕
I hope someday you'll join us
언젠가 너도 우리와 함께
And the world will live as one
그렇게 되면 세상은 하나가 되지 않을까?

Made in 1954, it is a recent yet famous instrument that has the deep sound of the older saxophones because Mark Six was commissioned to make it. It is also magnificently engraved with a kookaburra bird!

Wow! And it's only 330 Land!
Now that I think about it, I think he lowered the price before as well...
Maybe I should buy it...
I wonder why Mr. Tabo lowered the price again...
Eh? Only 330 Land?

You've shown them that even poor people like us can achieve great things.
So don't forget. You are the Sun of the Kosa tribe.

Mr. Tabo went out a bit to get supplies.
Ok.
She's the lady I saw yesterday.

I had a customer!
Oh...

C... good morning.
She came to buy an instrument.
Hup!
Let me see.
You're looking for Kookaburra, isn't that right?
YES!! THAT'S RIGHT!
...Huh?
But how did you know that?
That's a secret.
Oh... And I would also like to sell this.
YES!
Cornelia, kindly appraise its value.

The Yamaha TS- 100.
It has a key player made out of Flemish gel.
Although, there is a bit of a gap in the saxophone, tuning it is possible. The mouthpiece doesn t have to be replaced
You can just oil well the keys with slow reactions. The instrument itself being out of tune is a bit serious, but...
No problem.
I can balance it perfectly.
Cornella, don t estimate the repairs, appra se its value!
Oh.
Could you please increase the volume?
...Has become the cause...

And it has lead to a tussle between the villagers of Hirare,
...who refuse to be deported and the cape21 golf course service company.

Oh my.. The clash finally happened.
You're right... Even if redevelopment is considered important, still...
It's sad, but that's how things are.
This is the reality of the Republic of South Africa.
That's... my village
Our land is being redeveloped for a golf course...

BONUS Track. Story of the Instruments

We introduce to you the
instruments seen in ‹Westwood Vibrato›,
A story of life and beautiful music.

Track 1. Misty

music by Erroll Garner
word by Johnny Burke

Super Balaned Action

Swan's saxophone is known as a Super Balaned Action made by the Selma company in France. It is also abbreviated as 'SBA'. The SBA was made between 1947–1953 and has numbers ranging from 35,000-55,000. During the time of its release, its design was considered quite innovative because it was comfortable to play with, eventually becoming a model for others that were made later on. The SBA has a dark tone and a mature vibe, so it was favored by many Jazz players. One representative player of SBA would be Paul Desmond who is famous for TAKE FIVE. I think SBA is the perfect instrument to express Swan Evans' MiSTY. For your information, the instrument I currently have is also an SBA. (laughs)

Track 2. Fly, Thought, on Wings of Gold

From Verdi's opera "Nabucco" Act 3 Scene 2 Chorus of the Hebrew Slaves

Cevenian Flugel

Oscar's trumpet is called a flugel, an instrument from Cerveny. It was used by the NAZIs during WWII. Actually, Oscar's first instrument was a rotary-type trumpet. But after consulting a professional, we found out that during that time, the army bands used the trumpet for the beat, but the flugel for the melody, so we had to go through a sudden change with the instrument. It was quite difficult to find a 1940's flugel used by the NAZIs, but we were successful thanks to the editor's determination. The Cervenian flugel is energetic, but has a very soft tone. I believe that Oscar was able to express hope in the <Nabucco> with this instrument.

Track 3. Imagine

music & word by John Lennon

Ney

The Ney, also called Nay, is one of the Muslims' traditional instruments. It is a wind instrument usually made out of reeds. It has 5-6 holes in the front and one in the back. To tell you the truth, I am not exactly well-informed about Ney. But when I was still in college, I had to go to the World's Instruments exhibit for my report. There, though I was only able to listen to the instrument once, it was so memorable that I had no problem using it to write this story... Is what I want to say as my excuse. (laugh) If you listen to the Ney, it may sound sharp, but it has warmth as well. It sings a sound that seems foreign at first, but as you listen to it, it becomes relaxed, cozy and dreamy. They say that this is the Ney's trait. The instrument that people use to call out cobras from a pot is also a type of Ney.

Track 4. *Doo Be Doo* Composed & Performed by FRESHLYGROUND

Yamaha Ts-100

Winnie's saxophone, a tenor saxophone, is called the TS – 100. It was made by the Yamaha company. Although Yamaha saxophones are quite cheap compared to French ones, its performance is still in the same league. The TS-100's performance is quite attractive when you compare it to its price, but it is currently no longer sold. When I went to the Yamaha instrument factory in Shizuoka with the editor to look around or when we asked about the story of the Ishimori wind instrument shop and told them that the "Yamaha TS – 100 will come out in chapter 6", I remember that the employee said that, "That's quite an old instrument you have there" (laugh). One trait of the TS – 100 is that it can easily express Yamaha's wide musical range. That is why it is favored by both the young and the old. I think it is a fine masterpiece as Winnie's instrument.

In the next episode!!

A new chapter begins.
Please continue to love <Westwood Vibrato>,
the story of beautiful music and the story of
a life more beautiful than music.

Eh...
Is this... the instrument repair shop, Westwood Vibrato?

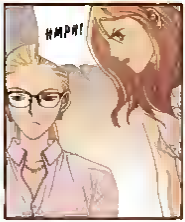

Wow~ This is a Brannen Cooper 14k combination.
It is an exquisite instrument.
But whose is it?

It's my daughter's.
Hmph.

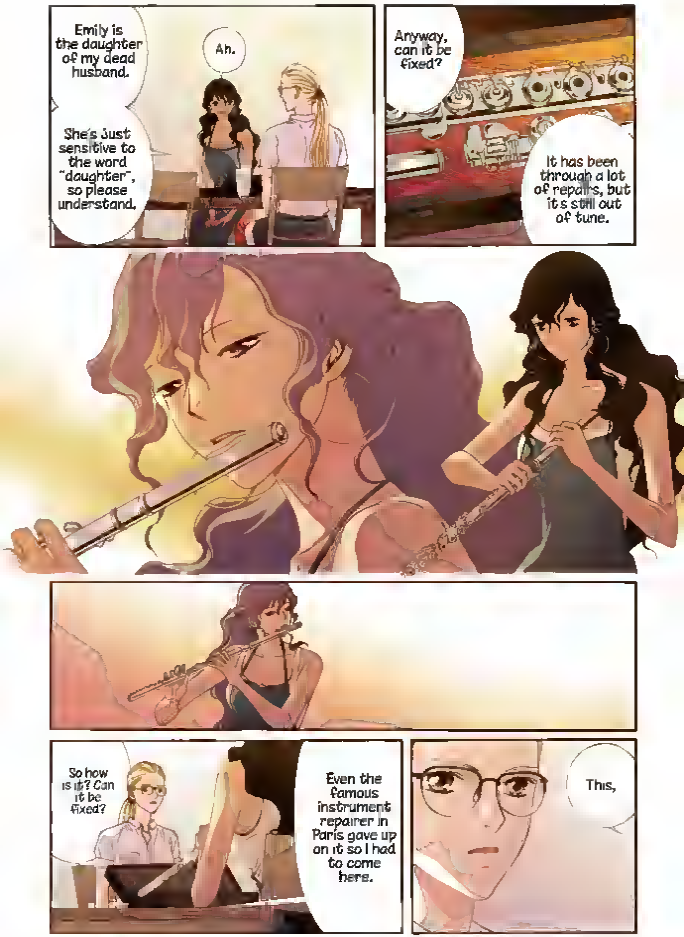

Slap

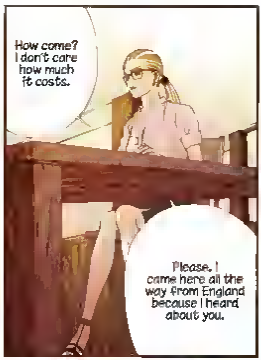

Stands up

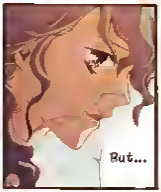

HMPH!

Emily is the daughter of my dead husband.
Ah.
She's just sensitive to the word "daughter", so please understand.
Anyway, can it be fixed?
It has been through a lot of repairs, but it's still out of tune.
So how is it? Can it be fixed?
Even the famous instrument repairer in Paris gave up on it so I had to come here.
This,

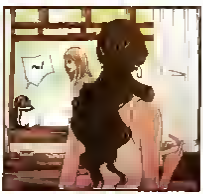

Is something even I can't fix.
I'm sorry, Mrs. Stella.

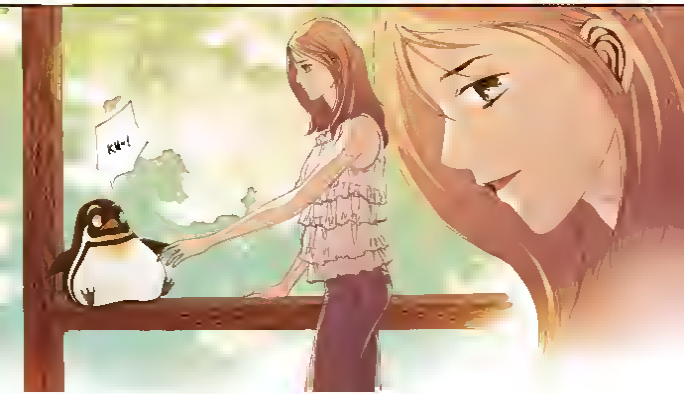

How come? I don't care how much it costs.
Please. I came here all the way from England because I heard about you.

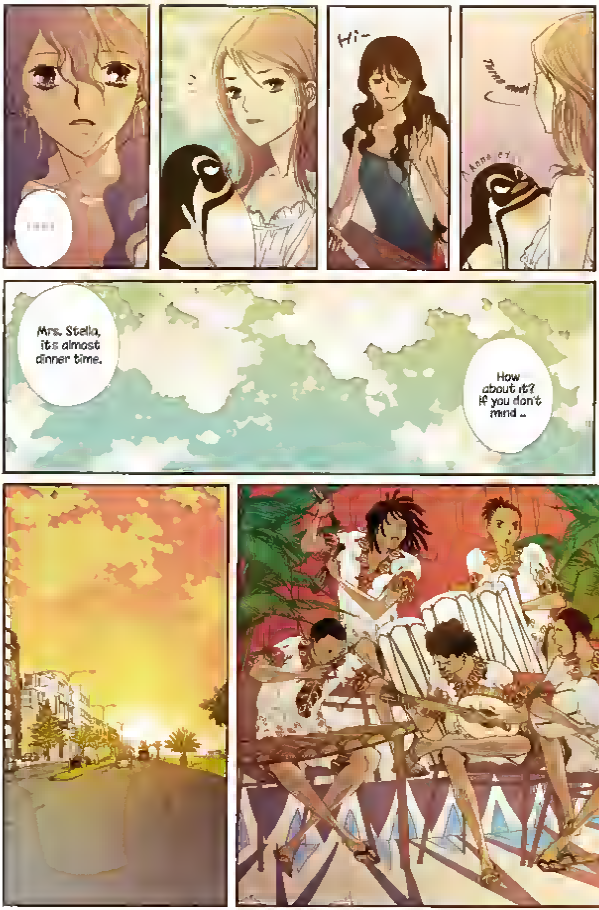

But...

This flute is...

SQUEEK!

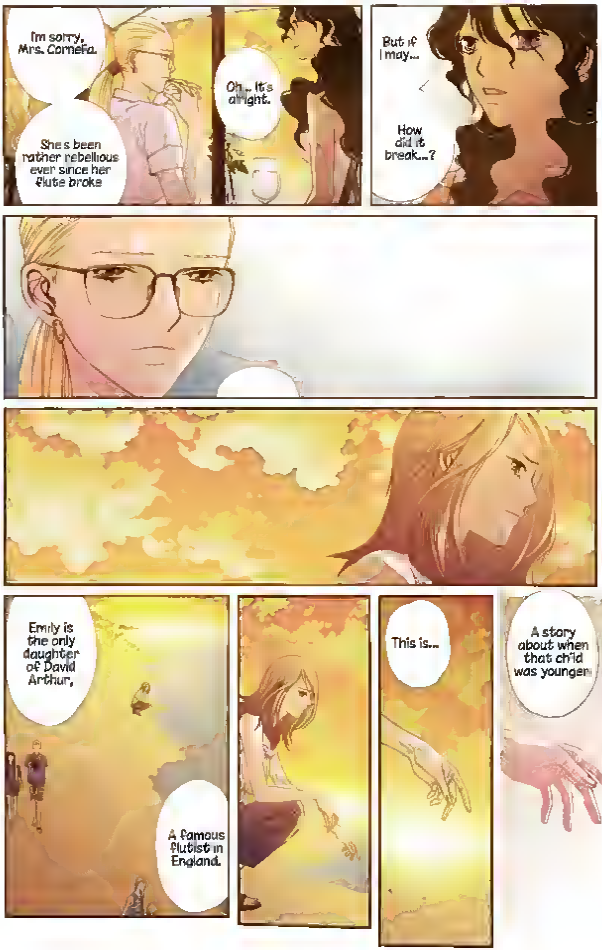

Kw-!

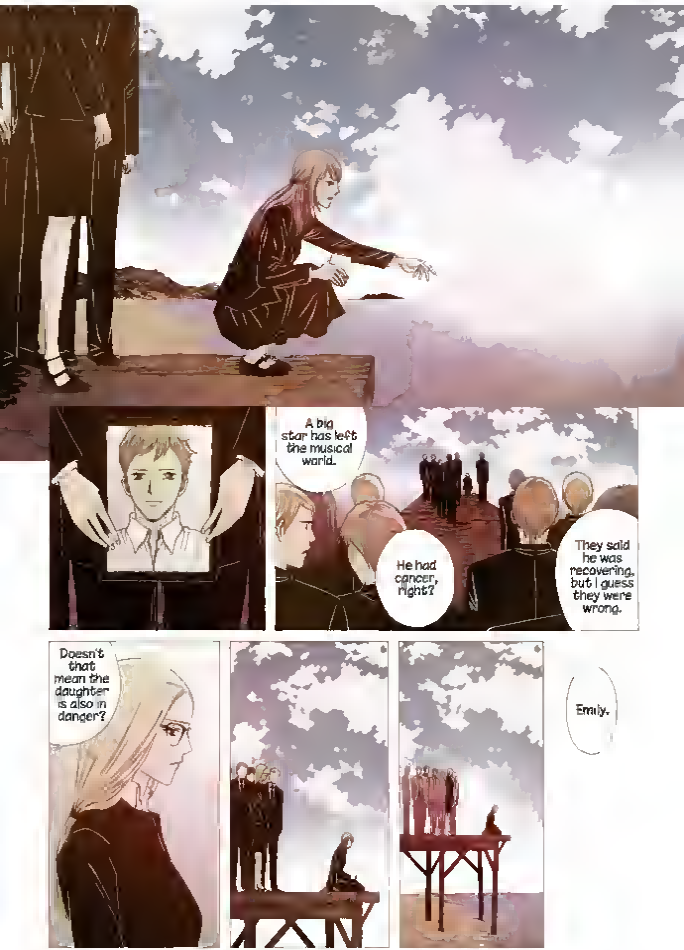

Hi~
Mrs. Stella, it's almost dinner time.
How about it? If you don't mind ...

Do you like it? Africa is one of the lands of the origin of music that captivated the hearts of people worldwide.
This place is known for its grilled game. It's made from the meat of wild animals such as the kudu* or eland*.
Of course I've never eaten them since I am a vegetarian,
but everyone highly praises the food here.
Ooh...
I want a crocodile!
Two zucchini salads and salmon steaks.
Please remove the egg and peanut, as for the spices...
Red meat isn't good
People like you should especially avoid it even more.
HMPH!
Whatever. Don't eat it if you don't want to.

T/N Kudu- either of two spiral-horned antelopes, Tragelaphus strepsiceros (greater kudu) or T. imberbis (lesser kudu), which inhabit the bushes of Africa.

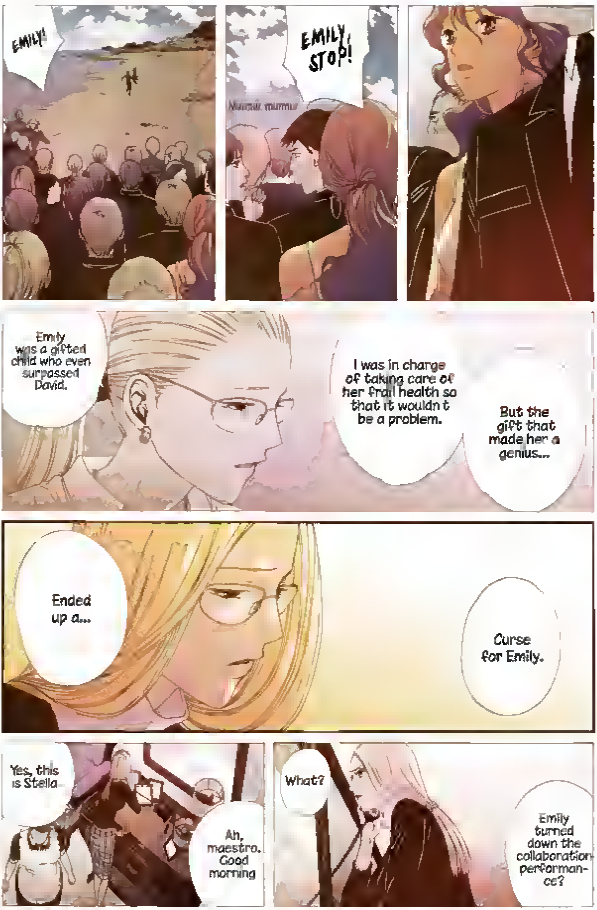

T/N: Eland - a large spiral-horned antelope, Taurotragus oryx, inhabiting the bushlands in eastern and southern Africa. It is light brown with vertical white stripes and has a dewlap and a hump on its shoulders

I'm sorry, Mrs. Cornelia.
She's been rather rebellious ever since her flute broke
Oh... It's alright.
But if I may...
How did it break...?
Emily is the only daughter of David Arthur,
A famous flutist in England.
This is...
A story about when that child was younger.

A big star has left the musical world.
He had cancer, right?
They said he was recovering, but I guess they were wrong.
Doesn't that mean the daughter is also in danger?
Emily.

Emily, my poor child.
Won't you play a piece for David...?
Mother, to ask the child to hold a flute right now...
Stella, do not intervene. David may have acknowledged you, but not me.
This is our family's business. David really enjoyed listening to Emily playing. Don't you know that?
Please play it, Emily. For David who is going to heaven.
The press is watching you.
Flash

He had cancer right?
If its hereditary, then the daughter won't be safe either.

Musical murmur
Emily was a gifted child who even surpassed David.
I was in charge of taking care of her frail health so that it wouldn't be a problem.
But the gift that made her a genius...
Ended up a...
Curse for Emily.
Yes, this is Stella.
Ah, maestro. Good morning
What?
Emily turned down the collaboration performances?

*Embouchure- the shape of the mouth for wind instrument players

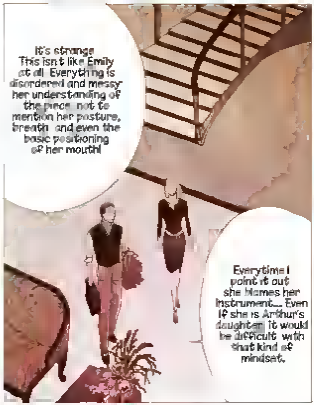

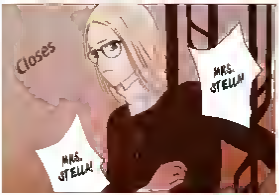

It's strange. This isn't like Emily at all. Everything is disordered and messy: her understanding of the piece, not to mention her posture, breath and even the basic positioning of her mouth!
Everytime I point it out she blames her instrument... Even if she is Arthur's daughter, it would be difficult with that kind of mindset.

Flash
Mrs Stella, just one interview please!
Is Miss Emily just a stray light far from the glory of David Arthur?
Flash
Flash
Recently, the music world has been giving harsh criticism towards Ms Emily how do you feel about this?
Is it true that there has been some sort of conflict with Maestro William?

Emily, talk to me.
Why did you turn down the collaboration performance?

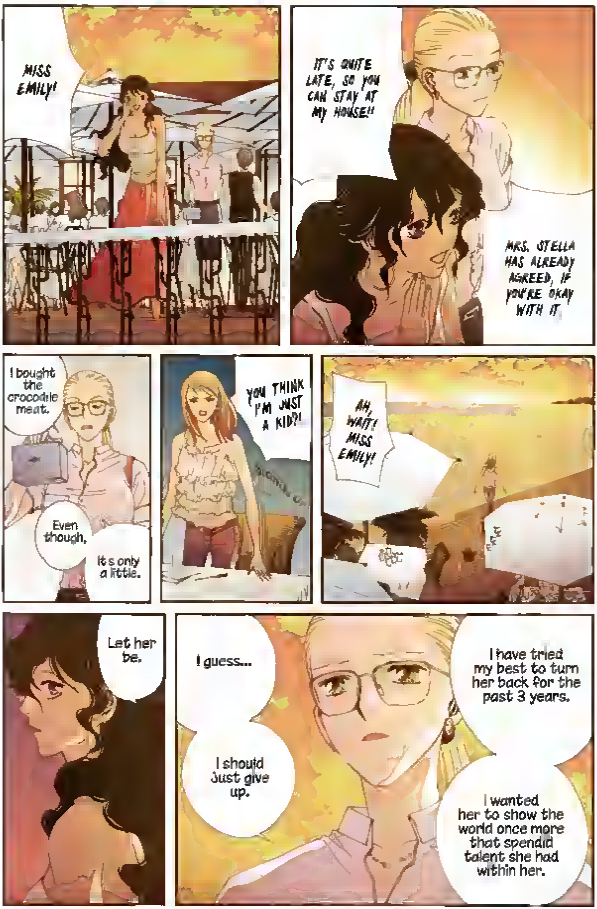

Emily!

The flute...
is broken...

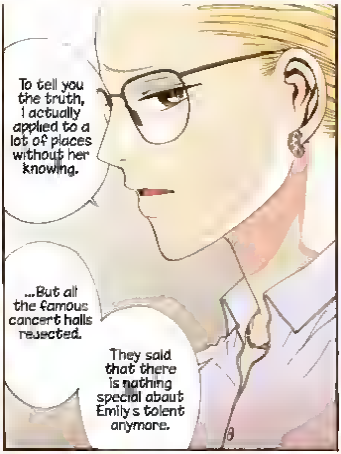

Stop giving me excuses. The flute was fixed ages ago!
Why in the world did you-!!

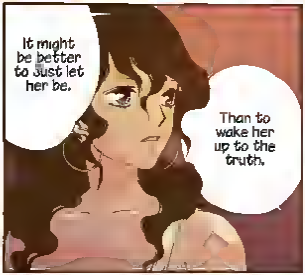

What... can I do?
That thing is a piece of junk.
I never want to play it again.
Alright. I'll buy you a new one.
But the collaboration performance...
Tak
Tak
Tak
Kwang!
EMILY?!!
EMILY, WHAT ARE YOU DOING?!
ARE YOU CRAZY?!
EMILY!
EMILY!!

No one can fix this flute.
Is already fixed.
Because this flute,
What is broken is not the flute,
But Miss Emily's heart.

MISS EMILY!
IT'S QUITE LATE, SO YOU CAN STAY AT MY HOUSE!!
MRS. STELLA HAS ALREADY AGREED, IF YOU'RE OKAY WITH IT.
I bought the crocodile meat.
Even though,
it's only a little.
YOU THINK I'M JUST A KID?!
AH, WAIT! MISS EMILY!
Let her be.
I guess...
I should just give up.
I have tried my best to turn her back for the past 3 years.
I wanted her to show the world once more that splendid talent she had within her.

Miss Cornelia, don't you get it?
A 3 year break for geniuses her age,
is enough time for them to sink to the bottom.

To tell you the truth, I actually applied to a lot of places without her knowing.
...But all the famous concert halls rejected.
They said that there is nothing special about Emily's talent anymore.

It might be better to just let her be.
Than to wake her up to the truth.

Running

Is this your payment for the fish?
Well... I don't think this is enough.

Mrs. Stella, don't worry.

Miss Emily's talent,
Is still very much alive.
한

Do you like it?
"Han".
It's a word from a country in Asia.
It refers to a sadness that will never disappear because it has become a part of your heart.
Hmph.
You wrote this, right?
I thought they were just some scribbles.
But this is neume. Musical notation that was used during the Middle Ages.
And it's even written backwards.
It's the music from the restaurant... Am I right?
You know better than anyone, Miss Emily.

That your talent,
Was never broken.
Don't talk...
As if you know everything.
MISS EMILY!
WHAT HAPPENED?
Mrs. Stella, was there something you didn't tell me,
Or does Miss Emily have another trauma?

Was there another shock she received,
Apart from her father's funeral?
It...
Happened on the day David died.

WHAT'S WRONG, DAVID? ARE YOU VOMITING BLOOD AGAIN?!
No, it's nothing. I just don't feel very well.
Stella, how's Emily....?

I TOLD YOU TO CANCEL AND GO TO THE HOSPITAL!
It's not that bad.
YOU SAID THAT BEFORE AND HAD A SEIZURE!
This won't do. I'll tell the maestro
STELLA!
I know my sickness better than anyone else.
If I go to the hospital they'll tell me to quit playing the flute immediately.
AND YOU'RE GOING UP THERE KNOWING ALL THAT? ARE YOU INSANE?!
Stella. I don't know how long I'll be able to play the flute.
I want to be up on the stage for even just one more moment.
Besides, this is a collaboration performance with Emily.
Please, Stella.
Let me live... as a musician.

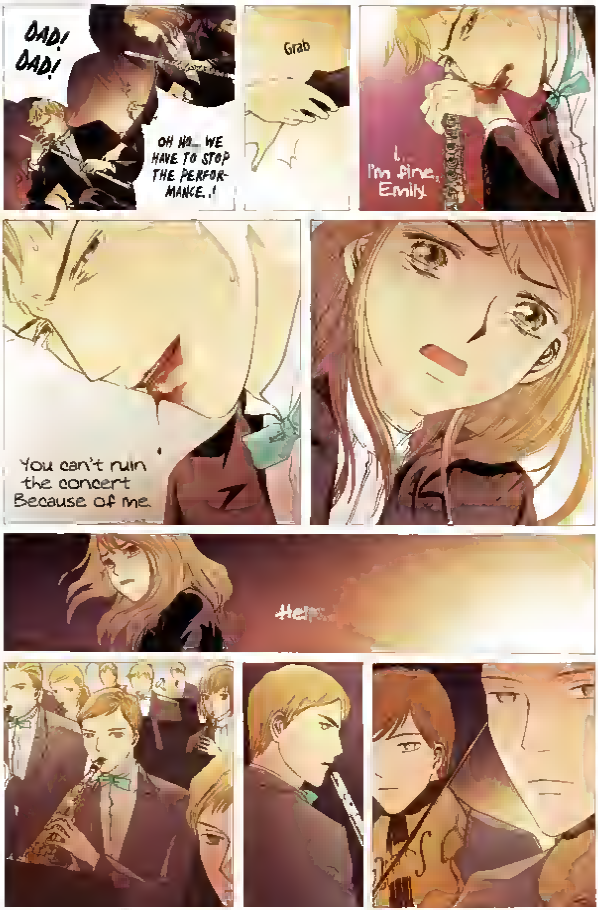

Dad.
Emily, are you done tuning?
What's with that expression?
Dad, I'm so nervous!
Darn, I've never been like this.
I guess it's because this is my first time playing with you.
What? You think I can't do it?
Ugh~ Not you, me. You're always good at everything.
Emily, whose daughter are you?
Yours!

Hahaha. Good to know. Shall we go now?
This is also a very important concert for Maestro Shuman. If we don't do it well...
CLAUDE DEBUSSY'S COMPOSITION ‹PRELUDE À L'APRÈSMIDI D'UN FAUNE›

The performance was perfect.
It was a fantastic concert.
Put together by the greatest conductor and musicians of England.
David too,
Showed a passionate performance.
As his student and his lover who has been watching his performance for so long,
I can definitely say,
That this performance sent shivers through me and the audience alike

That was his last concert wasn't it...?
Mr. Arthur passed away after the concert,
Right...?
No.
David died...
On that very stage.

COUGH!
DAD, WHAT'S WRONG!! ARE YOU OK?!
DAD!
DAD!!

DAD! DAD!
OH NO... WE HAVE TO STOP THE PERFOR-MANCE..!
Grab
I, I'm fine, Emily
You can't ruin the concert Because of me.

For the remaining 30 minutes before the first part of the concert ended,
Emily, together with David who was already dead by then, were left neglected inside the orchestra.

If only... if only we had stopped the performance.
If only we had stopped and given him emergency treatment...
No... If only I didn't tell him I wanted to perform...
If only I didn't become a flutist...!

What if those people didn't know that the situation was that serious?
If you don't try to understand them, you'll be hurt even more.
YOU CAN'T TURN BACK TIME! IT'S NOT LIKE MY DAD WOULD RETURN IF I JUST TRIED TO UNDERSTAND THEM!
A GOD-GIVEN TALENT? YOU GOTTA BE KIDDING ME. IF I DIDN'T HAVE ANY TALENT, I WOULDN'T HAVE ASKED DAD TO PERFORM WITH ME!
IF IT WASN'T FOR THAT CONCERT, DAD WOULD STILL BE..!
PLAYING THE FLUTE,
IS THE ARTHUR FAMILY'S FUCKING CURSE!
Hugs
...! LET ME GO...!!
David told me that he was able to connect more deeply with the world thanks to his flute!
BUT WHO CARES ABOUT THAT WHEN YOU'RE DEAD!
Yes, I though about that also.
If only David threw away his flute. If only he stopped playing ...!
But..

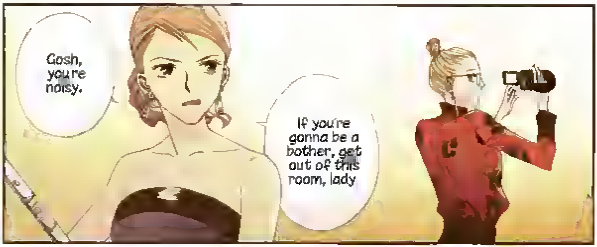

If he had stopped playing...
Would he still have been happy?
Maybe, he would be like how you are right now.
I know you want to play...
You want to recover the happiness you found from your flute.
I know you can do it.
You are David Arthur's daughter.
Dad
Daddy.

Daddy, daddy.
Look at me!
My goodness... Emily, how did you do it?
You just played "Carnival of the Animals", a song even adults would have found difficult to play.
I don't know. I just imitated you and then I could play it.
Is my Emily a genius?
What's a genius?
An amazing person who can play anything well
Then,
I want to be a genius!

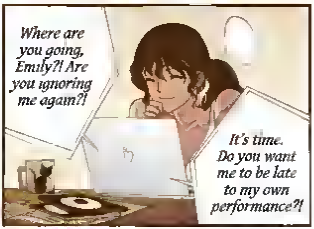

Alright, you can be a genius so we can surprise the musical world.
It won't be easy though.
Ok, use this from now on. It'll be easier to play with.
Wow, really?
Whose daughter are you, Emily?
Daddy's!

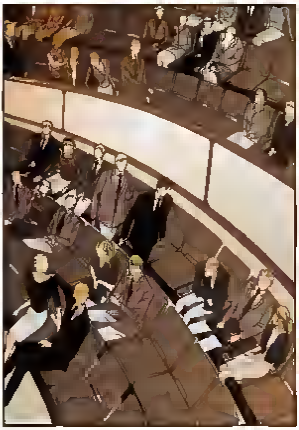

UWAAAA!

One month later
Emily's solo video just came out.

She said it was a success!
Hm, she sent a lot. Which one should I watch first~?

Hello, Cornelia?
Is this right...? Ah. Hi, Cornelia.
This is Stella. How are you?
Is this the recording button...? Oh, it is!

Gosh, you're noisy.
If you're gonna be a bother, get out of this room, lady

Emily, you should say hi.
I'm going to record all of your solo performances and send them to Miss Cornelia.

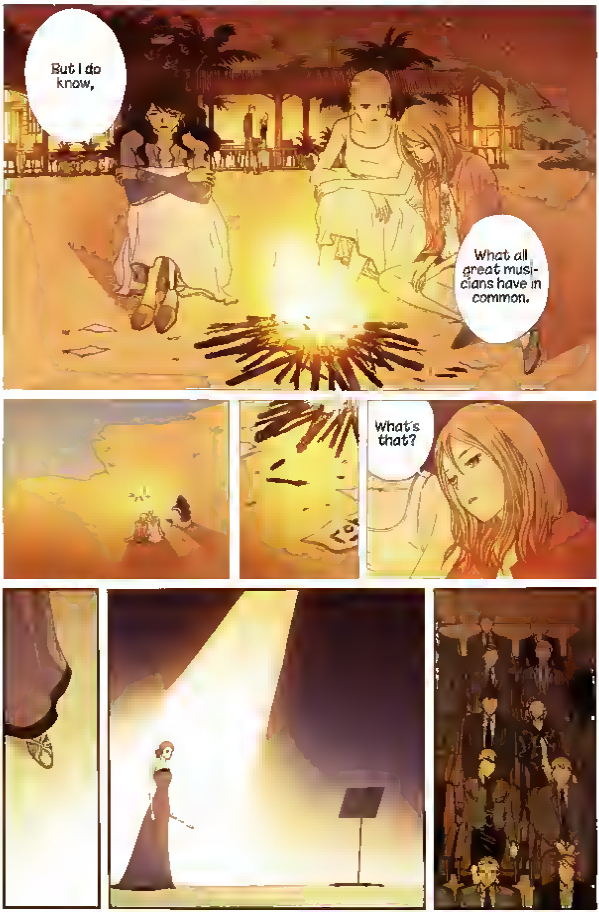

Where are you going, Emily?! Are you ignoring me again?!
It's time. Do you want me to be late to my own performance?!

Alright, are you ready?

Just take it step by step.
It's a small stage so don't-. b-be nervous.
Speak for yourself.

Whose daughter are you, Emily?
I am the daughter of David Arthur,
The greatest flutist in England
And,
The daughter of the lady whom my dad recently got married to,
Someone who's only 14 years older than me!
Don't worry, Mom.
I'm a genius.
I may not know if you're a genius or not.

But I do know,
What all great musicians have in common.
What's that?

What they all have in common ...
Is...
Eh eh Gackle
whoosh
That they can turn sadness,
into passion.

End of *Track 5*

WESTWOOD VIBRATO
웨스트우드 비브라토

Thanks to Westwood Vibrato, I was able to reflect on the turning sadness into passion. The idea of 'father' and 'music' found in Emily's story was able to help me relate to it even more. It was touching to know her goal and the reason why she started music again. I guess music is indeed a path to healing and communication.

Is Professor Wang from Orthopedics present?
Yes, professor. Good Morning.
I called to inform you that there seems to be a problem with Camelia's prosthetic leg

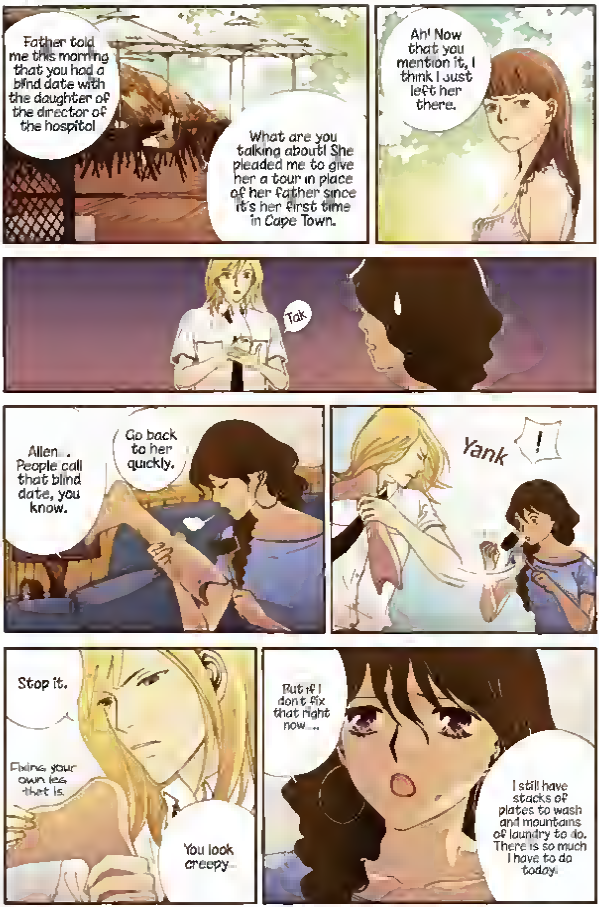

No. She told me it was an accident.
If you have a spare one from those made by the specialist. ..
Yes! The one from that time.
Oh, you'll come over once you're done....
. ...Pardon me.....
What are you looking at?
Oh, um. Just...

It's just like the time we first met.
That time ...
It was also because of my leg....

Thank you, Dr. Wang.

Hey Allan, is your blind date already over?
What?

T/N: Father = Father Thomas

Father told me this morning that you had a blind date with the daughter of the director of the hospital
What are you talking about! She pleaded me to give her a tour in place of her father since it's her first time in Cape Town.
Ah! Now that you mention it, I think I just left her there.

Do it tomorrow.
I can't, I have to finish repairing tomorrow.
Even a day is not enough.
Then do that the day after tomorrow.
I can't, I promised to check the Big Band member's instruments.
They have more than 30 members.
What to do. I have to finish cleaning by today, but my body won't listen.
There's no one who could help me... I have to do it by myself.

Move
Uhm...
Is this an album?
May I?
NO! DON'T LOOK, IT'S EMBARRASSING!
Oh... This is...

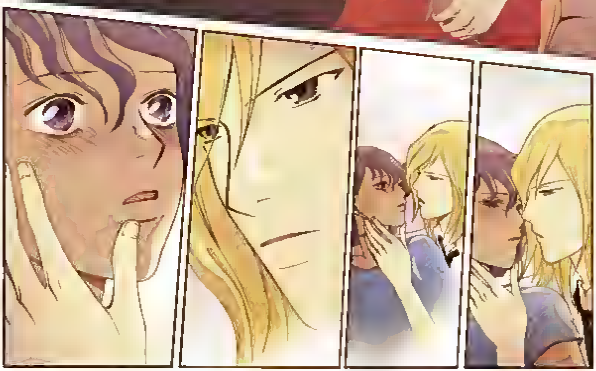

What happened to your face?
During the retreat, the kids scribbled on my face while I was asleep...
I swear I went through a lot of trouble just to erase it...
Good times, right?
It was a permanent marker.
Ah~
Allan, can't you stop looking at it.
AH!
Isn't this the city hall?
Yeah. 4 years ago we went to the Christmas street festival.
The night market was going on and there were a lot of concerts...
But,

We had a tough time.
You went there?
Surgeons must go there every year
What was so tough for you?
That day I was a substitute for Father Thomas children's choir
A child went missing.
Fortunately, someone found her for us, but it was really scary...
For me it was the same thing every year. I played poker with my fellow surgeons and drank it I lost.
I bet I was doing that even then.
Just thinking about it reminds me of all my hangovers.
When I look at this picture, it's like I can hear the song again from that time
It was sung by a singer who was a bit old, but it was a beautiful song. I think the title was...

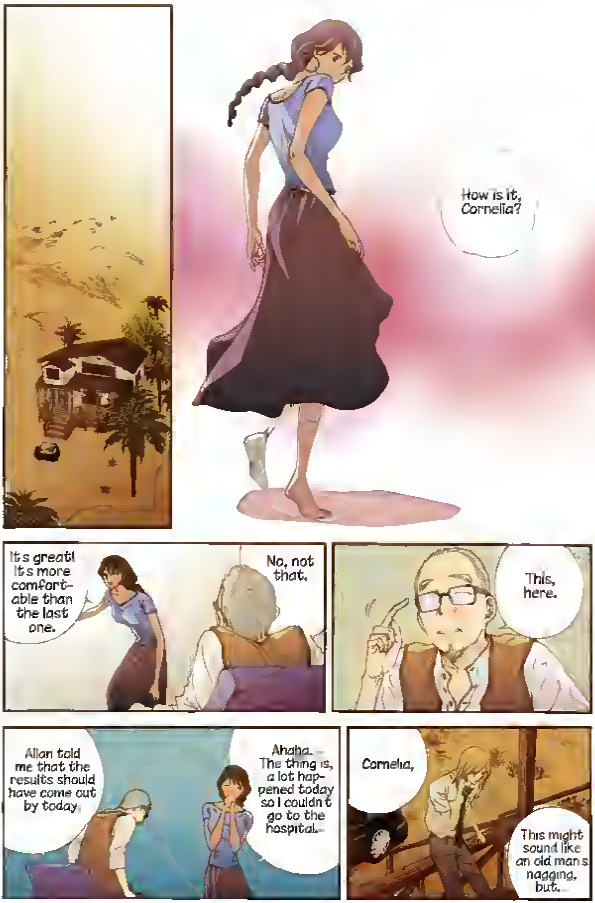

〈When I Dream〉.
It's already dark.
Grabs

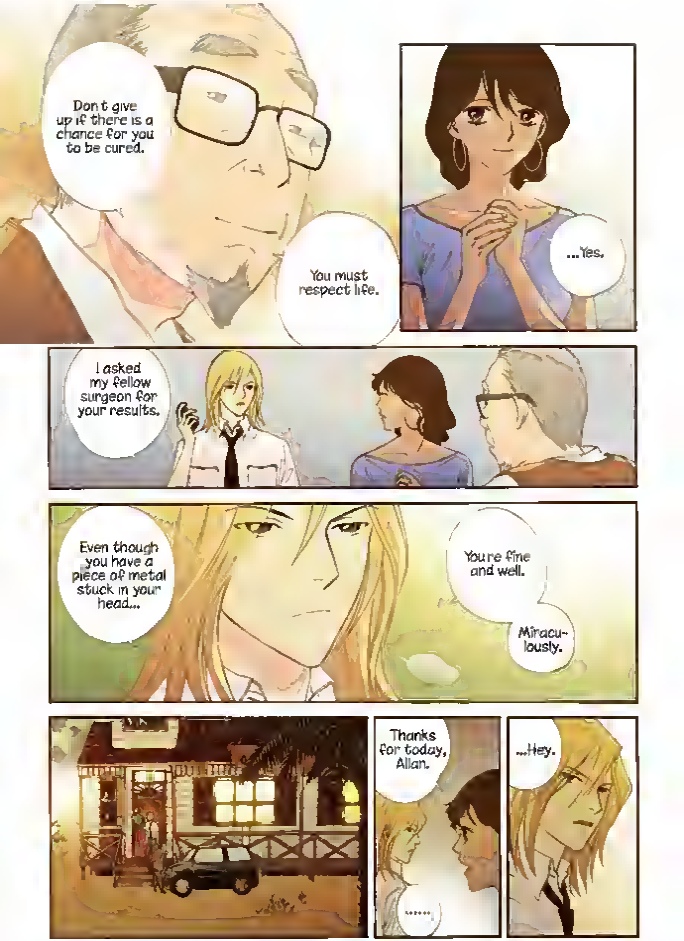

Hugs

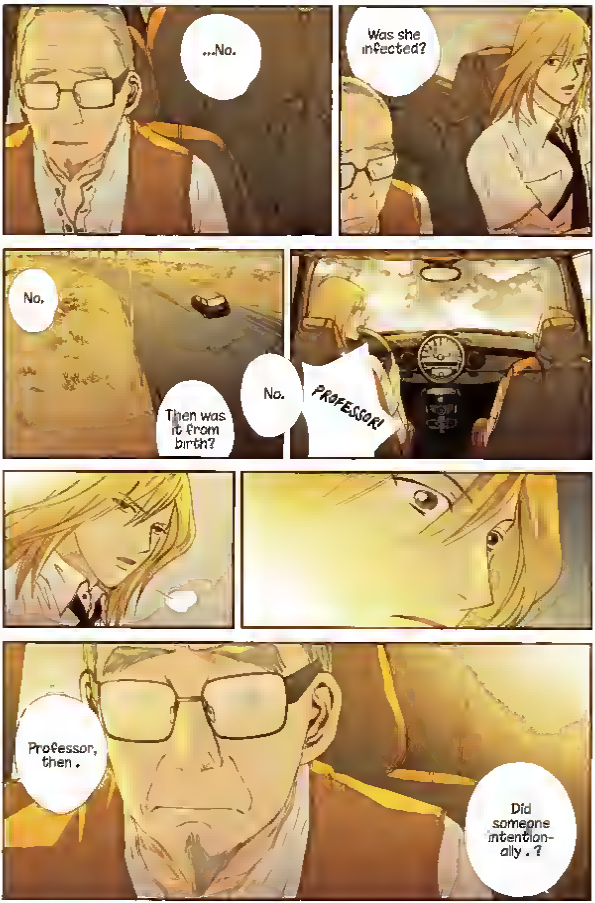

Cornelia,
Are you on the 2nd floor?
Grandpa Wang here has brought you your leg.
Switch
WHY DID YOU TURN OFF THE LIGHT? PROFESSOR!

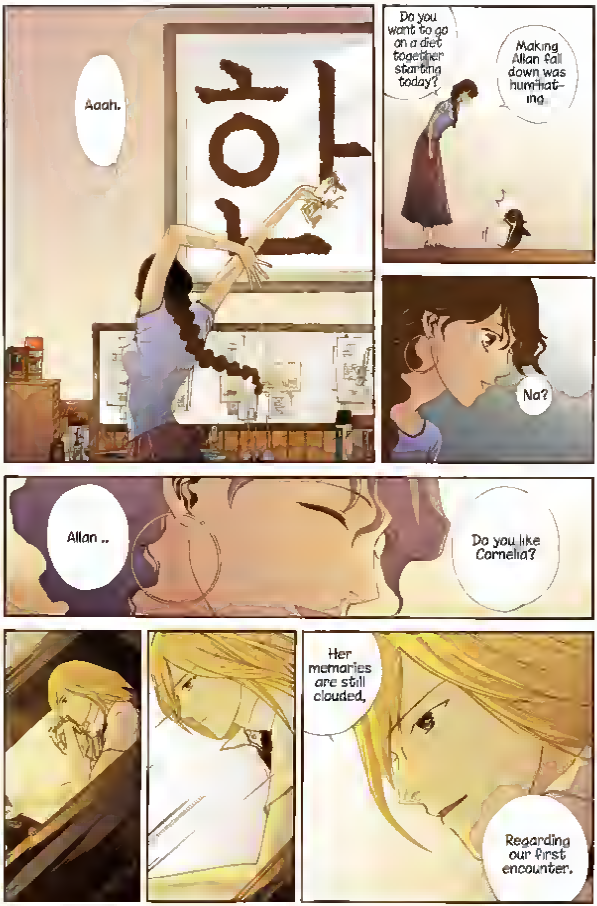

How is it, Cornelia?
It's great! It's more comfortable than the last one.
No, not that.
This, here.
Allan told me that the results should have come out by today.
Ahaha... The thing is, a lot happened today so I couldn't go to the hospital...
Cornelia,
This might sound like an old man's nagging, but...

Don't give up if there is a chance for you to be cured.
You must respect life.
...Yes.
I asked my fellow surgeon for your results.
Even though you have a piece of metal stuck in your head...
You're fine and well.
Miraculously.
Thanks for today, Allan.
.....
...Hey.

Huh?
...Stop fattening your penguin.
That thing is going to be someone's lunch soon.
Vroooom
Pro-fessor.
What happened to her leg?
Huh?

I flipped past it right away because I didn't want to bother her,
But I saw those pictures of her when she was young.
She didn't look like she was more than 10 years old, but...
She didn't have it.
And...
Those kids around her,
Were also missing them in several different places.
Was there an accident at the village?
You should know since you were her first doctor, professor.

..No.
Was she infected?
No.
Then was it from birth?
No.
PROFESSOR!
Professor, then .
Did someone intentionally . ?

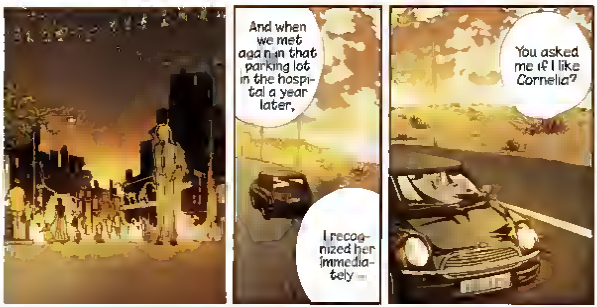

Aaah.
Do you want to go on a diet together starting today?
Making Allan fall down was humiliating.
Na?
Allan ..
Do you like Cornelia?
Her memories are still clouded,
Regarding our first encounter.

I can distinctly remember the incident.
On that day, 4 years ago.

I found her crying near the fountain.
She had a really loud voice.
UWAHH! MISTER KEEKS OF ALCOHOL!!
THANK YOU, THANK YOU SO MUCH!
That's enough gratitude.
Just buy me some medicine for my hangover.
I got robbed by my friends so now I'm broke.
Thanks.
Don't say that. It's me who's...
Throw
Your name ..?
Ring
Ah, yes, professor. I'll be right there.
Well then.

And when we met again in that parking lot in the hospital a year later,
I recognized her immediately...
You asked me if I like Cornelia?

Track 7.01 Cat's Waltz
Chopin's waltz no.4 Op.34-3 splendid waltz in F- major

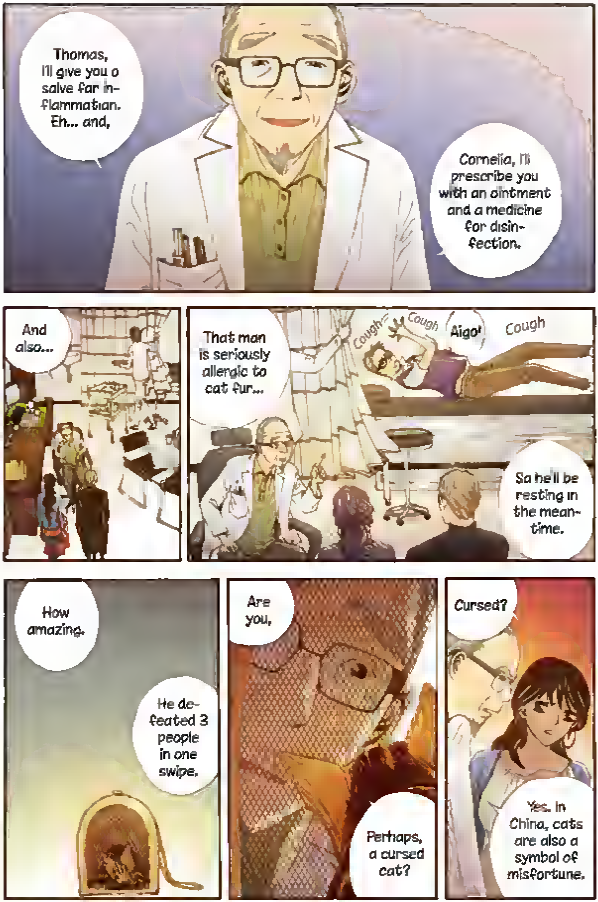

A cat in your mail box?
Yes, Father. I was really surprised.
How very unusual.
What about your face? Is it because of him?
Yeah but... it's ok.
It's my fault, I tried to forcefully take him out from that mail box.
But you should at least go to the hospital
KYAAANG
This cat doesn't look too happy.
Yes, actually this morning...

SFX: Crash
He fought WWI against Kuku...
It was very chaotic.
Oh my... they must have started a territorial dispute.
Yes, Father. I apologize for this but until I find a suitable place for him, could you please...
Alright, Cornelia.
I'll take care of him for the meantime.
Really? Thank you, Father.
Haha, it's all right. The kids will love him.
What a handsome kitty!
Has a belly, though.

FATHER, ARE YOU ALRIGHT?
FATHER!
I... I'm al...
Air...
Twe!
Haha.
So you want me to take care of this lost kitty?
Yes, Mr. Tabo. Until I find the owner.
Ummm, what to do...

Well, alright. It's not even a difficult thing to do.
I'll take care of him.
Wow! Thank you, Mr. Tabo!
Please take care of him, Tabo!
Cough
No need to thank me. . By the way, Father Thomas, shouldn't you go to the hospital?
Sniff
You too, Cornelia.
I'm fine. It's just a scratch.
I'm fine as well.
They're both scared of the hospital.
My- you guys aren't kids.
Haha ha.
Haha ha.
Well, let me take a look at his face.
AH!

SFX: Ping!

Yes, yes. What a nice kitty.
What's his name?
A-CHOO!
Ummm... I didn't give him one yet.
Is that so? Then I'll give him a really nice one.
Mr. Tabo, did you catch a cold?
Cough cough!
Cough!
Impossible.
I was fine until now...
Cough cough!
Cough!
Cough cough!

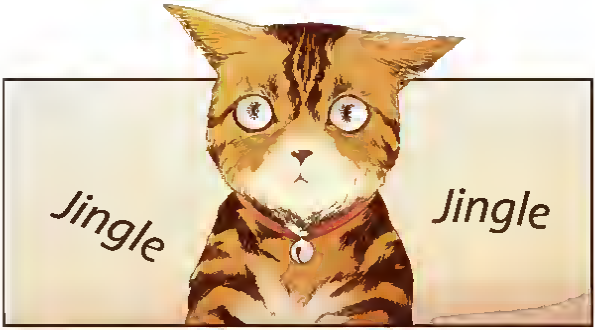

Thomas, I'll give you a salve for inflammation. Eh... and,
Cornelia, I'll prescribe you with an ointment and a medicine for disinfection.
And also...
That man is seriously allergic to cat fur...
Cough

Aigo!

So he'll be resting in the meantime.
How amazing.
He defeated 3 people in one swipe.
Are you,
Perhaps, a cursed cat?
Cursed?
Yes. In China, cats are also a symbol of misfortune.

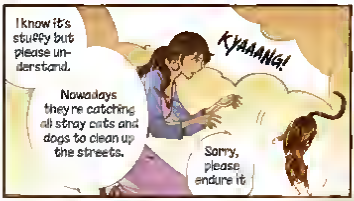

Doctor... she's going to take it seriously.
ehem ehem
It's just a joke, Cornel. Cats are actually a symbol of luck in China.
You're so gullible.
My spoiled act...
Has brought trouble to everyone.
I'm really sorry.
I'll take full responsibility of the cat.
Cornelia there's no need to apologize...
Yes, anyone would have done that in this kind of situation.
Cough cough!
I'll be going now.
Is it just me or is she really concerned about this?
No, I have that feeling too.

I guess she just couldn't help it.
Facing an abandoned creature...
Alright, Kuku?
Play nice.
YAWN~

Here, have some.
It's the most delicious cat food.

I'm very disappointed, Miss Cornelia.
I've heard good things about you so I gave you this request but how can you delay it by a week?
I have no excuses, madam
I doubt your nature as a profes sional
I'll make sure until the next recital
You have to finish it before the rehearsal!
Ah... yes.
I will not tolerate any further delay
I under-stand, madam.
Finish repairing my oboe
Ah, my head hurts.
You really like the mail box, don't you.
Will you give me a few min-utes?

A surgery?
I mean... I just came because he has a big lump.
He's quite fat, right?
It's not because he ate so much.
His kidney is filled with urine.

It's a common disease among stray cats called Hydronephrosis.
They can't get enough water and they live by eating food from trash cans.
He should quickly have a surgery.
He'll die soon in this state.
What is your decision?
Yes.
Please take care of him.

Don't worry.
Everything will be alright.
It's ok, Kuku
I told you it's not your fault.
The doctor said he'll be fine
after he receives the surgery tomorrow
Let's go on a picnic
once he is healthy

Both of you can go first.
I'll look just a bit more.
It's raining and the sun has set...
You should stop today
Cornelia.
I'm sorry Father. I'll just...
I know the cat is important but if you go on like this
your body...
I didn't even name him.
Because I might get fond of him.
Because the owner might come looking for him. .

He'll be lonely...
and very hurt...
I'm sorry, father, Mr. Tabo.
I want to continue searching.

A cat in your mailbox?
Excuse me!
Can you... tell me exactly what happened?
Why did he go in there?
I don't know. He was gone for some time and now he's back again.
I'm telling you, because of him the letter from my boyfriend got all wet...
It's a story quite known in our neighborhood.

There was an old woman who lived together with the cat.
She had sent her children overseas and enjoyed reading their letters.
Then one day, she went to her children's and left the cat home...
But she died there.
The cat lost his owner and his house all at once so people tried to take care of him.
But my, he was a nasty one, he wouldn't even eat.
From then on,
he would just stay in the grandmother's mailbox.
And when someone blocked the mailbox,
he moved to another.
He thought he could reach her...

He thought that if he stayed in the mail-box,
he would be able to reach his owner.
The cat... what's its name?
TAO
OK! CAUGHT HIM!

I caused a lot of trouble.
I even hurt her.
Why is she worried about me?

Ron...
N..no.

RON!!

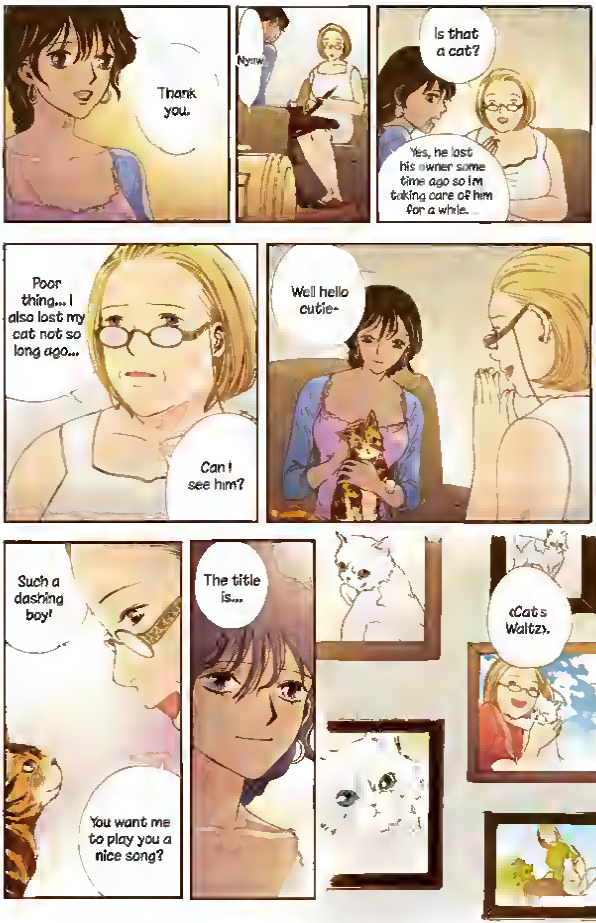

FR/N. Mythological bridge an animal crosses upon death. By crossing it they usually meet up with their former, dead owner, thus this metaphor means he knows his grandma is dead

Purrr.

Cornelia, you there?
It's me, Allan
I heard you got closer to the cat?
Sorry to burst your bubble but...
Your headache. The results of your CT and blood test came in
Just like Mr. Tabo, you've got a rare allergy caused by cats

You get it, Cornel? I understand your feelings but...
You should find a new owner for the cat as soon as possible! Especially you, you are so...
Cornelia, are you listening?
New owner...
How is it?
Yes... It's wonderful, Miss Cornelia.

Thank you.
Nyaw
Is that a cat?
Yes, he lost his owner some time ago so im taking care of him for a while.
Poor thing... I also lost my cat not so long ago...
Can I see him?
Well hello cutie~
Such a dashing boy!
You want me to play you a nice song?
The title is...
«Cat's Waltz».

End of *Track 7*

It's been a month since I've been taking care of a puppy. I am living with a shitzu that is still not potty trained and bulldozes all the potted plants in sight.
When I scold him saying, 'What are you doing? Are you crazy?' It bites the finger I point at it. I really can't see whether or not he loves me. But I'm still happy. In the next cut, would the grandmother who is trying to play her oboe for Ron, have her face covered in bandages just like Cornelia was when she first found Ron? Either way, she'd still be happy.

MISS CORNELIA

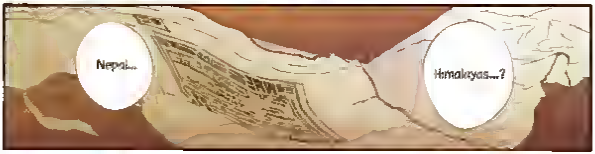

Good morning, Jyang!
It's not a good morning! Do you know I've been looking all over for you?
What in the world have you been doing lately,
to have so much international packages delivered to you almost everyday?
Well .. I've recently opened up a homepage,
and wrote there that I would accept all instrumental repairs through delivery.
... But I never thought that I would receive so much, haha.
Sign, please.
My hand...
Use your mouth!
Miss Cornelia, you must be pretty good.
To have instruments sent from all over the world.
It's my first time to deliver a package from that country!
That country?
Where?

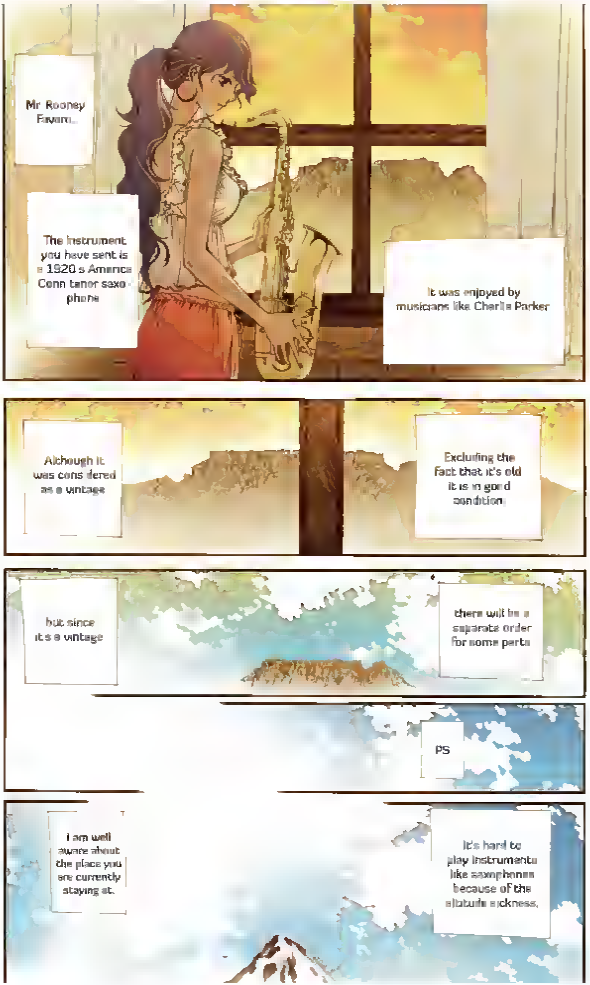

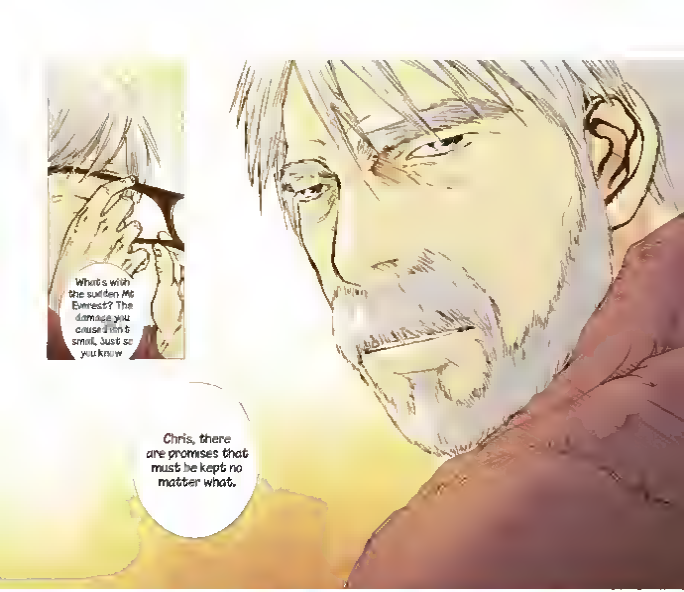

Miss Cornelia this saxophone is a bit old please repair it.
-Kenney Favero-

Nepal...
Himalayas...?

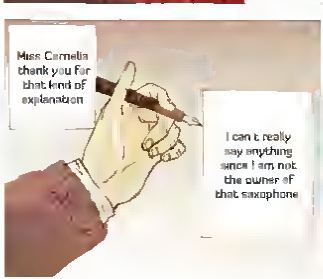

Mr. Rooney Favero...
The instrument you have sent is a 1920 s American Conn tenor saxophone
It was enjoyed by musicians like Charlie Parker
Although it was considered as a vintage
Excluding the fact that it's old it is in good condition
but since it's a vintage
there will be a separate order for some parts
PS
I am well aware about the place you are currently staying at.
It's hard to play instruments like saxophones because of the altitude sickness.

If you don't mind, can you please tell me your story?
It is my little hobby to imagine while listening to stones.
...What a strange hobby
You're the strange one, grandpa.
You even postponed the stockholder meeting.

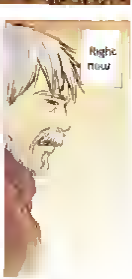

What's with the sudden Mr Earnest? The damage you cause I don't smell. Just so you know
Chris, there are promises that must be kept no matter what.

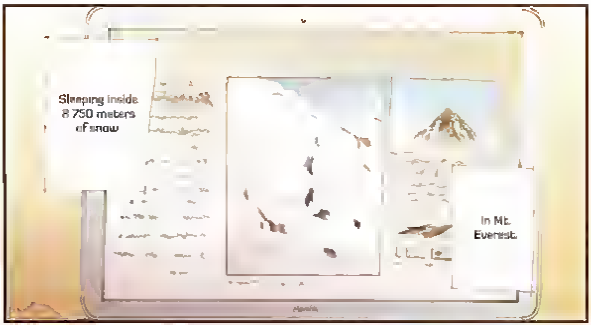

Don't forget to thank Selpa!
It took two days for him just to get that letter from town.

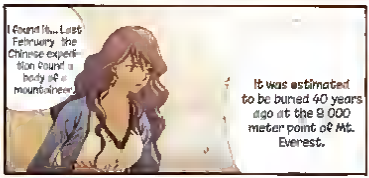

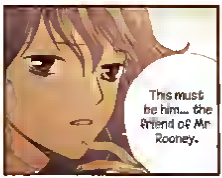

Miss Carmelia thank you for that kind of explanation
I can't really say anything since I am not the owner of that saxophone

The owner of that saxophone is

This must

I guess establishing a mountaineering club is a bit too much...
Damn.. There isn't a single applicant.
Nn It's too early to despair, Rooney!
There's still half a day left.

Excuse me..

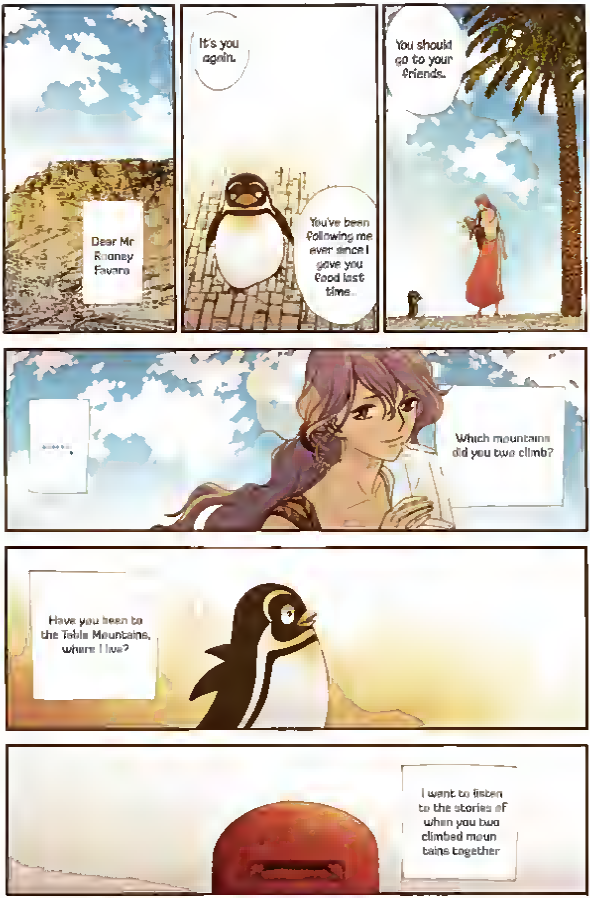

I'm from the club next door.
What the heck is that?
Can I borrow a lighter?
Thanks.
Phew... A mountaineering club...

Another crappy club, huh.
Isn't your club a goner unless you find at least one member today?
Mind your own business.
Leave it your done.
What a temper...

That guy called George Mallory or something, he was the first to climb Mt. Everest,
but he's still missing, right?

In the end, due to the lack of members, the two clubs were discarded
But for some reason,
Lambert and I became friends after that incident,
and we occasionally climbed up mountains together

Dear Mr Rodney Favara
It's you again.
You've been following me ever since I gave you food last time..
You should go to your friends.
Which mountains did you two climb?
Have you been to the Table Mountains, where I live?
I want to listen to the stories of when you two climbed mountains together

My... This lady, she really is a story-lover.
Chris, would you do me a favor, please?
What is it, grandpa?
Can you go down to town and buy some stationery?
I might need some more.
Miss Cornelia
Unfortunately, I have not gotten a chance to climb the Table Mountain yet.

But the memories of the mountains,
would get me going even after staying up for 10 days straight.
From all of those memories the most memorable one for me was

AH, SORRY ABOUT THAT, BUT FARTS GO UP, NOT DOWN, RIGHT?

During those times,
the mountains could have just been a game for him
